DESIGN A CHRISTMAS TREE DECORATION

Our competition Christmas trees are going shortly and we would love to fill them with creative and fabulous homemade decorations this year. Why not make an angel, a tree, a bauble, a wreath, a Santa, a star..... whatever you like! Last year we had a fireplace with Santa's legs sticking out and a stable with the nativity scene in. Whatever ideas you have we would love to see them. Every entry will be displayed on our long corridor trees and will receive a little prize and there will be a grand prize for Lower school and one for Upper school too.

Competition opens on Monday (26th) and entry is 20p. Please make sure that your decoration has a hanger and your name and class on.

I have been approached by a number of children keen to set up a Lego club. We are in search of unwanted Lego or ideas of funding sources. Can anyone help? Please contact the office. THANK YOU

YOUR WORDS MATTER

	INSTEAD OF...	TRY
	Be quiet.	Can you use a softer voice?
	What a mess!	It looks like you had fun! How can we clean up?
	Do you need help?	I'm here to help if you need me.
	I explained how to do this yesterday.	Maybe I can show you another way.
	Do I need to separate you?	Could you use a break?
	Stop crying.	It's okay to cry.
	Do you have any questions?	What questions do you have?
	You're OK.	How are you feeling?
	It's not that hard.	You can do hard things.
	We don't talk like that.	Please use kind words.

INTERESTING ARTICLE OF THE WEEK

A HUGE CLUSTER OF SHARK EGGS!

A remotely operated vehicle has discovered the largest shark nursery. Thousands of shark eggs were found 200 miles off the western Irish coast. It is thought that the eggs belong to Blackmouth cat sharks. They are rarely seen in such large numbers.

Do you know why sharks lay eggs and not live young???

Help UK Air Ambulance Services by recycling your Used Postage Stamps!!!

The UK's Air Ambulance Services are charities which receive no government funding and rely entirely on charitable donations to continue flying and responding to life threatening medical emergencies.

We are now volunteering our time to help raise funds through the recycling of postage stamps.

All funds raised will be donated to the Association of Air Ambulances to be distributed equally to all UK Air Ambulance Services

Whether they're British or overseas, new or used, send them to us and we'll turn them into funds to keep the UK Air Ambulance Services responding to life threatening medical emergencies.

All you need to do is cut or carefully tear the stamped corner from any envelope or packet that you receive in the post and start a collection.

Once you have a large bundle, bag them up and send them to us at the below address:

Stamps can be posted to:

YOU DECIDE!

Last week we hosted a meeting of the You Decide! Steering committee. They have been tasked with ensuring that a pot of £3000 is made available by BID (up to £100 by an individual or up to £500 by a group) to the community of New Skelton.

The money could be used to enhance your street, by for example planting some flowers/plants or a group that you are part of for example buying coffee facilities for when you meet.

There is a very simple application form to complete and the bid process is open to anyone with a plan. The outcomes will be decided by community vote in early spring at an event hosted here in school. The only limitation is that the impact must be felt within the immediate community of New Skelton.

If you are part of a group or have an idea of your own, please put your thinking caps on and look out for the application forms that will be coming through your door shortly.
