

On behalf of Skelton Primary School, we would like to say a big 'thank you' to the parents who attended the parent partnership meeting on the 28th January.

These are the key themes we have discussed this half term:

- Behaviour and safety
- School lunches and healthy eating
- Communication
- Attendance

Successes to share:

- Positive feedback from parents, staff and children about the standard of behaviour and the positive impact it is having on learning
- Partnership between parents, staff and family liaison officer is having an impact on attendance.
- Curriculum information is becoming more available on the school website.
- Standardised letter protocol must be proof read before sent out to parents.

What Next:

- Look at the safety of children entering/exiting on to Byland's Road. It is difficult to see the road due to inconsiderate parking.
- Curriculum Newsletters to be sent out at the end of a term so parents can prepare children for the future changes during the holidays
- Children to help design 'healthy lunch' option to capture children's choices.
