Our Amazing Y5 Children impressed large audiences, each other and their talented teachers this week. They shared three impressive assemblies about rainforests and deforestation. They reminded us that our children are the next generation able to make a difference by protecting these "lungs of the world". Well done Year 5! Jungle V.I.P.s indeed!

Our target for the year is 96%+

Whole school attendance this week

90.8%

Unfortunately the sickness bug has drastically affected attendance this week!

PLEASE REMEMBER TO WASH YOUR HANDS! We have had a lot of sickness in school this week and would ask you to please remind your children. THANK YOU
