

Revolting Romans

The Year Fours had a fantastic day this week meeting a real ancient Roman. Claudia showed us what life was like in ancient Britain, how to wear our clothes to show we were fashionable and what we needed to do to survive as a Roman soldier.

We also made mosaics and tasted traditional Roman food. The olives were universally disliked!

THIS WEEK'S HOUSE CHAMPIONS

Parent Partnership

Please come along to our next Parent Partnership Meeting on Wednesday 8th February at 5.15pm.

All welcome!

Individual Liberty in Key Stage 1

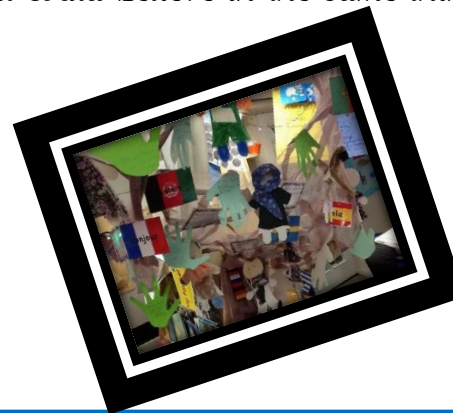

Year 1:

Children have been experiencing a positive sense of themselves and understanding that we are all special in our own way. They have also shared their achievements and successes and are beginning to understand that an achievement for one child could be different to another.

Year 2:

Children have been experiencing the similarities and differences that we all have. They have also addressed a range of stereotypes e.g. people of colour do not just live in other countries. Also, understanding that we may look different but could believe in the same things.

Dear Parents,

We're almost at the end of the first spring term. However, this does not mean things are slowing down. In particular, Y4 have had a busy week with their Roman day and are now beavering away for their class assemblies next week. We hope to see many of you there!

Have a wonderful weekend everyone!

The Friends of SPS

Caught out!

There is a lot more information available to the children within the learning environment around school now and sometimes we make a mistake with it! Master Ellis Holmes has sat quietly in the hall eating his lunch this week and spotted a calculation error on the house points. SORRY Catnab, you do have 31 points. THANK YOU Ellis.
