## Dear Families,

Welcome to this week's news.

### INTERESTING HEADLINE OF THE WEEK

## CAN YOU DESIGN A CHURCH ROOF?

The French government has asked for designs for the new roof and spire of the Notre Dame cathedral in Paris. A huge fire broke out on April 15th and the building has been gutted.

The church is 850 years old. What design would you choose?

From Tommy & Ellis

## Leeroy's Joke Corner

What did 0 say to 8?

Nice belt!

## ROAD SAFETY

An alert has been received in school today about road safety. Children, of primary age, have been noted on both the High Street and the bypass, running in and out of cars and also throwing objects. We have spoken to the children about keeping safe. Please do the same at home. THANKYOU

## BOARD GAMES

Any donations of board games (including chess sets) would be very gratefully received in school. THANKYOU

## TOP TRUMPS CHAMPION 2019

During the course of the Spring term, the Key Stage 2 children had a hotly fought contest. After a close final, involving a tiebreak play off for first place, Abigail in Year 5 triumphed to be crowned school champion.

Abigail's next task was to design a new pack of Top Trumps cards. All the school champions' designs will be judged later this month and the top 12 will be invited to a national final to be held in Sherwood Forest, Nottingham in June.

Good luck Abigail.

## Planting In Skelton Orchard

Our Eco Warriors have been out and about again. Last week we visited Ringrose Orchard on the high street. We found out all about the flowers and plants that are growing there by doing a learning trail with Mr and Mrs Pell.

Later, we helped Mr and Mrs White to plant some wildflower seeds, which you will be able to see growing in a few weeks.

After all our hard work, we were rewarded with juice and Mrs White's homemade cakes in the picnic area.

The orchard is a fabulous community resource, made possible by the wonderful volunteers of Skelton and we are extremely proud to be involved. Get yourselves there and enjoy this special place!
