Dear Families,  
Have a happy Bank Holiday weekend.  
See you on Tuesday 8<sup>th</sup>!

### Competition Time

Each year The Royal British Legion organise a pilgrimage for family and relatives of those killed in the Great War to visit the battlefields, cemeteries and The Menin Gate memorial at Ypres in Belgium. This year is the 90<sup>th</sup> anniversary of this event and it is also the 100<sup>th</sup> anniversary of the end of the war.

On 8<sup>th</sup> August, the chairman of the Redcar British Legion Branch will be carrying the Standard for Redcar as they march into Ypres to the Menin Gates to lay wreaths. He would like their wreath to have a card with a hand written message from a child in the Redcar and Cleveland area.

If you would like to design a card and write a message to commemorate this anniversary please send your entries to Miss English by Thursday 10<sup>th</sup> May, ready for judging on Friday 11<sup>th</sup> May. Good luck!

### SCHOOL TESTS

As you will all know, important tests are going ahead in all schools across the country in the next few weeks. The results that are gathered are used to support 'setting' in the new school year and measure progress. It is very important that every child

- Has a good night's sleep (of at least 10 hours)
- A good breakfast
- and is supported to try their very best and then get on with enjoying the summer!

Thank you for helping us to support your child.

### Our target for the year is

97%+

Well done to Blue 1 & Brown 2 who achieved 100% this week

Whole school attendance 97.1%

### East Cleveland Nugget Ride.

A huge well done to Kayden Keeler and Erin Lax from year 6, who took part in the junior version of the East Cleveland Klondike race on Sunday.

They pedalled for a gruelling 15.5 miles facing a strong wind, setting off from Brotton, travelling to Saltburn, Boosbeck, Lingdale, Carlin How and back to Brotton. A fantastic achievement!

### Year 3 Tennis

A huge well done to our fabulous year 3 children who took part in a Tennis Tournament on Wednesday. They scored a fabulous 95 points to win and face Handale in the finals next week.

### Year 5 Hockey

A huge well done to our fabulous year 5 children who took part in a Hockey tournament hosted at Thornaby Academy. Both teams played extremely well with team 1 qualifying to the next round.

Team 1 played magnificently in the second round and narrowly missed out in the semi-final to Saltburn. Well done to all involved.

## Information for parents:

2018 national curriculum tests at the end of key stages 1 and 2

Standards  
& Testing  
Agency

## Key stage 1 tests – year 2 pupils

Your child's teacher is responsible for judging the standards your child is working at in English, maths and science, by the end of key stage 1. To help inform those judgements, pupils sit national curriculum tests in English and maths, commonly called SATs. They may also sit an optional test in English grammar, punctuation and spelling.

The tests are a tool for teachers to help them measure your child's performance and identify their needs as they move into key stage 2. They also allow teachers to see how your child is performing against national expected standards.

The tests can be taken any time during May and they are not strictly timed. Pupils may not even know they are taking them as many teachers will incorporate them into everyday classroom activities.

| Subject   | Test paper  |
|---|---|
| English reading   | Short text and questions<br>Long text with separate questions |
| Mathematics   | Arithmetic<br>Mathematical reasoning                          |
| English grammar, punctuation and spelling (optional test) | Spelling<br>Punctuation and grammar (including vocabulary)    |

Teachers will use the results from these tests, along with the work your child has done throughout the year, to help them reach their own judgements about how your child is progressing at the end of key stage 1.

These teacher assessment judgements will be reported to you by the end of the summer term.

## Key stage 2 tests – year 6 pupils

If you have a child in year 6, at the end of key stage 2, they will take national curriculum tests in English reading, English grammar, punctuation and spelling and mathematics.

The tests help measure the progress pupils have made and identify if they need additional support in a certain area. The tests are also used to assess schools' performance and to produce national performance data.

The key stage 2 tests will be taken on set dates unless your child is absent, in which case they may be able to take them up to 5 school days afterwards.

| Date             | Subject                                   | Test paper   |
|------------------|---|--|
| Monday 14 May    | English grammar, punctuation and spelling | Spelling<br>Punctuation and grammar (including vocabulary) |
| Tuesday 15 May   | English reading                           | English reading  |
| Wednesday 16 May | Mathematics                               | Arithmetic<br>Mathematical reasoning                       |
| Thursday 17 May  | Mathematics                               | Mathematical reasoning                                     |

At the end of the summer term you should receive test results for:

- English grammar, punctuation and spelling
- English reading
- mathematics

### Teacher assessment

As there is no test for English writing, this will be reported as a teacher assessment judgement. This is a judgement teachers will make, based on your child's work at the end of key stage 2. You will also receive teacher assessment judgements for English reading, mathematics and science.

#### How can you help your child to prepare?

Teachers will make sure all pupils in their class are prepared for the tests. There's nothing specifically test-related that you should do to prepare your child.

You should follow the general advice teachers give about supporting your child's education throughout the year.

#### What do the tests look like?

You can look at [past papers](#) by clicking on the hyperlink or searching online at [www.gov.uk/STA](http://www.gov.uk/STA).

### Further information

Your child's teacher will be able to answer any questions you may have about the tests and teacher assessment judgements.

For more details you can visit [www.gov.uk/STA](http://www.gov.uk/STA) or watch our [short videos](#) for parents about the tests at key stage 1 and key stage 2.
