Beautiful handwriting

Our children work so hard to earn a pen; their presentation is improving all of the time. New Government guidelines state that children's handwriting must be neat, flowing and joined. Please encourage your child in their presentation at home.

THANKYOU

SCHOOL COUNCIL NEWS

The school council are in the process of planning a Fun Day for all children at Skelton Primary School. The aim of the Fun Day is to raise money to improve our school toilets. More details to follow shortly.

Did you know that the best way to ensure you have washed your hands properly is to sing 'Happy Birthday' while you wash them? When you have finished singing, your hands will be sparkly clean.

POBBLE- Inspiring young writers

Our children are about to become published writers and we couldn't be more thrilled!

We are extremely excited to be part of the Pobble (formerly Lend Me Your Literacy) family.

What is POBBLE?

Pobble is an online community that allows us to publish and celebrate pupils' work. It connects our young writers with readers around the world.

Is POBBLE safe?

Yes, it is! POBBLE is a safe, moderated site. No personal details are ever shared.

When work is published, only the child's first name is used.

Parent POBBLE Notifications

In order to allow your child to become one of our published authors, we ask you to provide us with an email address. A letter should be heading your way today to help you do this!

By having a parent account, you will receive notifications when your child's work has been published.
