ALERT SIRENS on School Site

Did you know that there are 3 different kinds of alert sirens here at school?

1. A loud constant siren is the fire bell and the children make their way calmly out of school to line up on the yard away from the building.
2. Partial lockdown is a 'woo woo' siren, this alerts everyone to come inside and close the doors and windows.
3. Full lockdown is a 'nee naw' siren. This alerts everyone to leave the communal areas of school and follow full lockdown protocol.

Ask your children about how they keep themselves safe during siren drills. You will be very impressed.

Ways a Parent Can Help with **READING**

1
Let your child see you reading!

Have magazines and books in your home.

2
Help your child find appropriate reading and word games online.

Keep a dictionary on hand. Help your child look up new words.

3
Read mysteries with your child and try to figure out the clues together.

4
Movie version coming out?

Read the book together first, then talk about which you each liked better.

5
Set aside a time and place for your child to read -

like a comfy chair and a reading light in a quiet place

6
Visit your public library regularly.

Look for and read together the books that were your favorites when you were a kid.

7
Encourage your child to write -

letters, thank you notes, emails, journals, lists, stories about their own trips, events, and daily life

8
Ask your child questions about what her or she is reading, such as:

- What is the story about?
- Who are the important people in the story?
- Where does the story take place?
- Why do you think that person made that choice?
- What do you think will happen next?
- How did you know about...?
- Would you recommend this book to your friends?

9
Ask your child to draw a comic strip about what happens in the story.

Provide word searches, crossword and other word games and puzzles, or help your child make his/her own

Share with your child about what you're reading... and encourage your child to do the same

EDEN CAMP

Yesterday Year 6 travelled back in time to the 1940's. We visited Eden Camp (an outdoor museum housed in the grounds of an original WW2 Prisoner of War Camp) and experienced the sights, sounds and smells of those traumatic years on the home front and the frontline.

The behaviour of the children was impeccable – they displayed mature attitudes towards what they saw and read and hopefully came home full of knowledge. Today they have used their experiences to write an independent piece of writing describing the Blitz...

Watch this space for examples of amazing work!
