

Friday Flyer

Dear Families,

Welcome back everyone. We hope that you have had enjoyed a restful summer and the family time. The children look so smart in their uniforms and many have grown significantly!
 We have lots of exciting learning planned for the weeks ahead so please do read your Curriculum newsletter and share some of the learning and investigations with your children.

Our class photographs were taken this morning and will be available to view and buy shortly. Individual photographs will be taken on Wednesday 24th October and available to buy for Christmas gifts.

Good Behaviour

Please check out our revised school policy on our website. We are introducing restorative justice this year. You can read all about it!

Parents Back to School Photos

We all, as parents, love to record our children's first steps back to school by photographing them in their uniform and sharing online. However, please be careful about this and ensure that your online security settings are not set to public. Not having privacy settings at private means that anyone can find out your child's name, birthday (Remember the party photos you uploaded earlier in the year!) and the school they attend. This puts them at risk now and later for identity fraud. The only way to protect against this is to only share with friends and family and ensure others do not have access to your online life.

Our first job at Skelton has been to find out what everyone thinks about the new school lunches.

We asked the children and the staff.

We can have as much as we want from the salad bar.

LUCY

The gammon and pineapple with roasties was amazing!

Bendy, proper sausages and we got three!

The jacket potatoes are fresh and big and the tuna tastes lovely.
