ECO NEWS

Our Eco Warriors have been busy! As well as looking after our school environment, Sam, Sam, Ruby, Joseph, Amelia, Sadie, Emmie, Laila, Millie, Seth and Tia have been out and about again making our area look gorgeous! This time they were at Skelton Pond last Friday planting trees and bulbs to make a beautiful space for the local community to visit. They received a lovely welcome from Mrs Breeze and Mrs Simpson from FOSCP and worked with Sue from Tees Valley Wildlife Trust, students from Askham Bryan College and Jo from RCBC. They had a fabulous time and can't wait to visit again in the spring to see the bulbs in bloom! Why not visit the pond for yourselves and see what a wonderful community facility we have right on our doorstep but be careful, don't go too near the water's edge and always take notice of the warning signs.

Choir News

Last weekend, our choir were very busy packing bags in Morrisons Guisborough. They had an amazing time chatting to all the people and raised the incredible amount of £380. As part of the day, they took a small break so that they could sing to the many shoppers. Some people believed that the staff were playing a CD and that the children were not singing. Once they realised, they were so impressed. Some people had tears in their eyes as the children sang so beautifully. Thank you to all those people who passed on such lovely comments about the singing to the staff and friends who helped during the day. We really enjoyed performing for you.

We sang a range of different Christmas songs.

Thanks for the lunch Mr Morrisons. The sausages were great!

This weekend you can find our choir at Coulby Newham Cathedral singing for the BBC Carols at Christmas recording.
