**Dear Families,**

Welcome to this week's news.

INTERESTING FACT OF THE WEEK

**MORE PLAYTIME?**

A group of MPs (Members of Parliament) have said that children need more playtime to help them work harder, be calmer and more healthy. **WHAT DO YOU THINK?** Do you think children would get bored? More breaks would mean a longer school day. Would you like to be at school for a longer day?

## Fabulous Footballers!

Yesterday, the final of the Tees Valley County Football was held at the very grand Rockcliffe training ground. Skelton Boys had earned their place earlier in the season. Well, what a day out they had! Not only did they get to spend all day playing football (sorry Mrs Allington!) but they also met some of the Boro U21's. There was an extra **Friendly** character cheering for Skelton and he was impressed with their skills. The boys had a fantastic result, which was due to their superb teamwork and a nerve racking last minute goal in the final. Resilient to the very last second.

Well done lads, we're very proud of you all.
