## Our target for the year is 97%+

Well done to Grey 1,  
 Purple 1 & Purple 3  
 who achieved 100%  
 this week

Whole school  
 attendance  
 96.9%

## Head Teacher Award

	Fitness role model	Behaviour Badge	Teachers' Choice
FS1	Finley Dundon	Max Shaw	Max Kilvington
FS2	Christina Temke Bradley	Ella Matthews	Lizzie Forde
Y1	Jacob Carter	Violet Simpson	Phoebe Haigh
Y2	Mason Alway	Ben Harris	Tia Breeze
Y3	Jacob Stone	Jon Adams	Joseph Burns
Y4	Diesel Mackenzie	Abigail Joel	Lilly Hodgson
Y5	Liam Anderson	Alisha Dundon	Sam Wealleans
Y6	Shannon Mendum-Johnson	Grace Turner	Joshua Barry

### SCHOOL PARLIAMENT

A number of our school leaders have really shone this week. They have given guided tours to prospective Assistant Headteachers and talked about our school so confidently. I am sure that the candidates couldn't fail to be impressed as this happened yesterday when some of the children were dressed as Dobby, Mad Hatter and Capt Jack Sparrow.

### This week's House Champs

### What's for Lunch Next Week?

WEEK 2	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
Main 1	Shepherds Pie	Baked Sausages with Herby Potatoes & Gravy	Pepperoni Pizza V Cheese & Tomato Pizza	Roast Turkey & Yorkshire Pudding	Crispy Fish Salmon or Cod Fish Fingers

Thursday	Breakfast club 8am £1.20, no need to book 442 Football - Y3-Y6 3 - 4.15 Running Club Y2-Y6 3 - 4.10
Friday	Breakfast club 8am £1.20, no need to book Choir 8am SCSS Dance Rec-Y6 3 - 4.15

# Germ Science: Why Handwashing Matters

Are you tired of begging your children to wash their hands before handling food? The youngest kids need to build this healthy habit, but we all know that it can be a big power struggle. Children believe that if their hands look clean, they are clean. Use this very visual activity to help children understand the power of germs and the importance of hand washing.

## What You Do:

- 1 . Set it up: This works best if you and your child set up the experiment after a trip to the playground (or other similarly dirt-laden fun) and before they wash hands.
- 2 . Ask your child to “wipe” off his or her hands to get rid of visible dirt.
- 3 . Label two sandwich bags: “Touched” and “Not Touched.”
- 4 . Let your child use the tongs to remove a slice of bread from the wrapped loaf and place in the sandwich bag marked “Not touched.”
- 5 Let your child take another slice of bread and rub his or her hands thoroughly on both sides of the bread. He or she should put this slice into the bag labelled “Touched.” Before zipping the bag, allow your child to give one to two gentle mists of water into each bag. Zip the bags and tape or place on a shelf, in a closet, or inside a cupboard. Check the bags every few days. Which one grows the most mould first?

## *The Handwashing Song* (To the Tune of Frere Jacques)

*Over, under*

*Over, under*

*Scrub between*

*Scrub between*

*Rinse the tops and bottoms*

*Rinse the tops and bottoms*

## What You Need:

- Two or more slices of wheat or dark bread. (White bread takes longer to grow mold because it has so many preservatives in it, unless, of course, it’s homemade!)
- Zippered sandwich bag for each slice of bread
- Tongs

## What's Going On?

Mould will grow on both slices, but much sooner on one slice

Help your child understand that the germs that he or she did not see on the “wiped-off” hands became food for the mold.

Would we want to eat those germs?

Wash your hands carefully before touching food

Can your child to sing the Handwashing Song while scrubbing hands at the sink? It will keep them scrubbing long enough to get the germs off!
