## Dear Parents,

Welcome back everyone and what a wonderful week it has been! The children look so smart in their uniforms, thank you so much for your support here. The sun has shone and the children are already working so well.

Please find attached the calendar for the year that has been arranged by staff. You should also have received your year group curriculum newsletter. We have an exciting year ahead and hope that you can make as many of the dates as you can, including Key Stage sports' days later this month.

## Our target for the year is 97%+

Well done to the 8 classes who achieved 100%

Whole school attendance 98.3%

Any concerns about your child's attendance contact our Family Support Worker.

## Work over the Summer

While the children have been away there have been many changes on site. Our Foundation Stage outdoor areas have been developed and look great! The children are loving them. Also, ceilings have been lowered in Year 4 & 5 and office spaces have been reconfigured to make better use of space. External drains have had extensive work and we hope to see them doing their job well when the winter rains come. The front of the school has been landscaped. We hope that you like it.
