## SCHOOL PARLIAMENT

Jack and Bailey led this half term's meeting this week. It was a busy agenda, looking at:

- Cloakroom tidiness
- Awards for great work
  - Website
  - Toilet locks
- Gathering children's ideas
- How children share their worries.
- Having a Skelton sorting hat!

The team decided that they are going to start collecting children's ideas on the yard once a week and lead a questionnaire to families about the website. Next meeting April 3rd

The children in FS2 enjoyed celebrating Chinese New Year by making their own fan and money bag. They all enjoyed the chocolate coins-yum yum! Thank you to

everyone who attended our

Valentines Breakfast.

little stars!

The children have worked incredibly hard all week rehearsing their songs and poems. We hope that you enjoyed listening to them and felt proud of your

The fabulous children have been enthralled in our recent topic of dinosaurs. We've written

newspaper reports, Created fact files and even sketched some pictures. We hope you enjoyed and learnt fascinating

facts from our class assemblies.

Spring 1 has been about tombs, treks and Tutankhamun in Y3. The amazing staff brought Egypt to Skelton, taking the children on expeditions and creating our very own tomb! The sheer joy on their faces was worth it. Hopefully, our Children will remember this topic fondly.

day was fantastic. We learnt a lot about life in Roman Britain for the rich and poor. We then told our parents

Our Roman

all about it during our class assemblies. What a busy half term!

It has certainly been a very hands on half-term for us in Year 5. Particularly in Science as we have dissected flowers to learn about the various parts of a plant. We have also explored Capillary action by observing the amount of water transferred through paper towels.

A short but very busy half term for Y6! We have been very practical in Spring 1 from exploring angles, making delicious cakes/smoothies in our ratio maths lessons and recreating the components of blood in a bottle for Science! We have loved getting our hands busy and the children have gained lots of new knowledge. Happy half term Year 6—you deserve it!

# **Skelton get Gold!**

We are so pleased to announce that we have been awarded the Gold kite mark for our commitment to school sport. Out of the 23 primary schools in the partnership, we are one of only 6 that were awarded the highest level. Jack and Jasmine, two of our keen athletes, received the award on behalf of our school at a presentation evening last night.

A special thank you must also go to Grace Turner (Y5) who performed a phenomenal dance routine as part of the evenings celebrations.
