Mrs Douglas...the costume Queen!

I'm sure we're all aware of the dressing up skills of Mrs Douglas in FS1 and this year was no different. Her 'Very Hungry Caterpillar' was crowned the winner of a World Book Day competition run by The Supply Desk. Her amazing effort resulted in a brand new selection of books for school. Well done Mrs D!

E SAFETY

In response to a number of concerns raised about ESafety, Miss Shields has collated a useful guide for you about keeping you and your child safe online. Please spend a few minutes reading it through. You can find a lot more information on our website under the SAFEGUARDING tab.

ROAD SAFETY

ALL of our children had an assembly on road safety this week. Please remind your children to always use the lollipop and approach school with care. We once again appeal to parents/ carers who come to school by car to park with care. THANKYOU

KEEPING SAFE

Storylines on a soap opera have recently highlighted the dangers to young people of being groomed. Parents, who wish to find out more about how to spot signs, and gain knowledge of how to keep their children safe, can access free training via the following website.

Cross Country – The semi-finals!

A huge well done to our amazing cross country finalists who secured a win for East Cleveland on Tuesday. Phillipa Callaghan, Poppie Peacock, Charlie Thornton, Cohen Rodgers, Erin Lax and Jack Farrel all amazingly qualified for the final at Stewarts Park on Wednesday 29th March.

E-Safety top tips

Our Digital leaders are very keen to share our SMART tips we have learnt in school. Are you being smart?

Did you know that E-safety also applies to any device you use to communicate with including games that use the internet?

What can parents/carers do?

During our E-safety week, each year group created their own digital footprint to show the positive things they would like to be known for online.

Regularly chat with your child about the online world.

Encourage your child to keep evidence of any unkind messages they receive.

Useful websites:

<http://www.childnet.com/parents-and-carers>

<https://www.thinkuknow.co.uk/parents>

Parental controls - check settings are set to private to keep personal information safe.

Check out our E-safety section on our school website. There are games for children and a host of tools for parents/carers to use.

KEEP SAFE AND BE E-SAFETY SMART

S

Keep your personal information **safe**.

M

Friends made online are strangers, **meeting** them can be dangerous.

A

Accepting files can be dangerous. If unsure, ask an adult!

R

Not everyone or everything online is **reliable** or trustworthy.

T

Always **tell** an adult if something online upsets or worries you.

Competition time

Can you design a character for our e-safety posters in school? It could be an animal, a person or even an alien! Entries to be given to Miss Shields by **17.03.17**.
