## Health and Safety

We have had many reports of children, including younger siblings, using equipment in our Foundation Stage outdoor areas before and after school. In upper school, staff are also having to remind families not to use the castle at these times too. These areas are not staffed and therefore should not be used! We do not want any accidents or injuries and we do not want to see equipment being misused or broken either. Please ensure your children are accompanied by an adult on site.

**Please remember School UNIFORM**  
NO Jewellery, NO nail varnish, NO make up!
