SAFETY AT SCHOOL Your children have had a full fire practice evacuation this week and a full lockdown practice. They were calm and orderly and most responsible. We were all so impressed with how the children conducted themselves. Should we ever have an emergency situation it is reassuring to know that they would know how to keep themselves safe.

Skelton Primary School Council Election 2018

Have you got what it takes to be a successful School Council representative?

Could make a difference to our school by sharing thoughts from your class?

If you are in Years 2-6 and would like to be part of a team who work together to make positive changes to our school, then please prepare a short speech to describe why you would be the perfect candidate! Make sure to include facts about yourself and think about why your classmates should vote for YOU! There will be an election per year group within the next couple of weeks so it would be fantastic if you could have a go at your speech at home! Good luck.

Are you...

Reliable? Responsible?
Reflective? Resilient?
Respectful? A good listener?
A team player?

GOVERNOR VACANCY

There are currently two vacancies in school for co-opted governors.

Are you interested in education?

Do you work well in a team and enjoy offering opinions and solution to challenges?

Do you strive for high standards?

If the answer is yes then you could have what it takes to join the largest volunteer group in the country. Working with others you could become a co-opted governor at Skelton Primary School.

A school governor works alongside the school's leadership team to set targets, formulate policy and plan for future development. Governors set the framework which ensures that the school runs effectively.

Expertise We are especially looking for a member with finance, legal skills or social services experience. Do you know anyone within our community who can commit to an evening once a half term and a few hours during the day once a term? They might be retired, they might be a parent, a friend or a neighbour.

Upon appointment, governors receive full induction, a big welcome and are adopted by a year group who will look after them during their term of office.

If you know anyone who might be interested in finding out more, please contact the school office or contact Ms Walker directly: headteacher@skeltonprimaryschool.co.uk THANK YOU
