Safeguarding Slot

Here is a new weekly feature to share with you what we are doing to keep your children safe. Please find below a poster that you will see around school reminding you of who our designated safeguarding leaders are. If you have any questions or concerns about the wellbeing of your child, or any other child in school, please see them. THANK YOU

CLOWNS

You will no doubt have heard in the media the current 'fright attacks' from people dressed as clowns. Lots of our children are interested and even amused by clowns but an equal number are genuinely scared (including me!). We have spoken to the children in school and asked them not to play any clown games or talk about it. Please can we ask for your support from home with this?

Online Safety Extravaganza

On Wednesday, KS2 watched a thrilling performance all about online safety. Although it gave us a very important message, we also had lots of fun learning how to keep safe online. The very knowledgeable 'Online Guardian fairy' gave us some top tips such as:

- ✓ Making sure our privacy settings on social media are private.
- ✓ Never sharing personal information through online games or social media with people we have never met.
- ✓ Being kind and respectful online.
- ✓ Speaking to a trusted adult about online worries.
- ✓ Keeping evidence of cyber-bullying.
- ✓ Having a positive online reputation. Whatever you put online, stays online - even if it is deleted!

Sporting Success

On Thursday, 12 Year 6 children attended a Rugby Tournament at Lingdale Primary School. They performed magnificently, winning 4 of their 7 games. A huge well done!
