

Friday Flyer

Dear Parents,
 A big thank you to the many families who were able to attend Open Evening this week. We hope that you were impressed by what you saw and heard. Please always remember to contact us if you have any questions or concerns about any aspect of your child's learning.

NEW ASSISTANT HEADTEACHER

We are very proud to announce that Mr Sam Newton has been appointed to be our new Assistant Headteacher for Teaching & Learning to start in September. Mr Newton currently teaches in Scarborough and will fill the vacancy left by Miss Theakston. Some of our children helped in the selection process. They did a great job!

Our children have safely and calmly taken part in a fire evacuation drill and a full lockdown drill this week.
WELL DONE!

Our target for the year is 97%+

Well done to Orange 3 & Blue 2 who achieved 100% this week

Whole school attendance 96.3%

Cross Country Champions!

After being postponed twice due to snow, our East Cleveland Cross Country tournament finally went ahead last Friday afternoon and we couldn't be prouder of our children's amazing achievements.

Each and every one of our children gave it their absolute all on a very physically demanding course. As a result of their sheer hard work and determination, out of our 9 cluster schools, we came 2nd overall, only very marginally missing out on 1st place. Our roll of honour also includes 1st for the Year 3&4 boys team, 1st for the Year 5 boys team, 2nd for the Year 6 boys team and 3rd for the Year 5 girls and Year 6 girls.

In addition to this, we had some amazing individual achievements. 10 of our children came in the top 8 in their races and therefore qualified to the next round: **Louie Peacock** 4th, (Y3) **Poppy Peacock** 1st, (Y5), **Phillipa Callaghan** 2nd (Y5), **Charlie Thornton** 1st (Y5), **Cohen Rodgers** 2nd (Y5) **Marley Burgess** 6th (Y5) **Erin Lax**, 5th (Y6), **Shannon Mendum-Johnson** 7th (Y6), **Alysha Smith** 8th (Y6) and **Kayden Taylor-Keeler** 3rd (Y6)

Our other children narrowly missed out on qualifying but were absolutely amazing. **Sam Leyland** 9th (Y4), **Daniel Cole** 10th (Y4) **Lewie Wnek** 9th (Y6) and **Rhys Wright** 12th (Y6). For the remainder of our children this was their first time competing in this event and they were simply magnificent: **Naia Adams** 13th (Y3), **Delilah Winspear** 15th (Y3) **Finlay Turner** 13th (Y3) **Erin Heathcock** 21st (Y5), **Kayley Maxwell** 23rd (Y5), **Liam Anderson** 16th (Y5), **Harrison Booth** 13th (Y6) and **Millie Peacock** 16th (Y6).

A special award of recognition goes to **Casey Winspear** (Y4) who showed true sportsman and companionship after stopping her own race to help another child from a different school, who was struggling and upset. She stayed with her until help arrived and then carried on to complete the race. We are so incredibly proud of Casey and all of our children. A huge well done!

Out of our 10 children that qualified to round 2, 5 have qualified to round 3! Meaning they finished in the top 8 for Cleveland: **Charlie** 1st, **Poppy** 3rd, **Cohen** 4th, **Erin** 5th and **Kayden** 3rd. A truly amazing achievement!

Neighbourhood Policing

Guisborough Newsletter - March 2018

Performance

The Guisborough sector covers the wards of Brotton, Guisborough, Hutton, Lockwood, Loftus, Saltburn, Skelton and Westworth.

Sector areas of focus

The current areas of focus for this sector are;

Antisocial Behaviour in Loftus

Calls have increased slightly regarding anti-social behaviour in the Loftus area, particularly around the youth club. We have been working with partner agencies to address the problems and we are continuing to do so. This area remains a hot spot and we have been increasing our patrols and attending the youth club.

News

- We have been working with the staff and young people of Loftus Youth Club and will continue to carry out patrols. There has been further damage in the Valley Gardens in Saltburn so we have been increasing our patrols on an evening. There.
- Our PCSOS have delivered briefings to the pupils of Skelton Primary School regarding internet safety and have carried out a number of property marking events.
- A large number of bikes and cars have been seized by our officers and some arrests were made after one vehicle was acting suspiciously. Two males were arrested and dealt with for drugs.

Have your say....

Tell us where you think we should be focussing. We will review your submissions every month to help inform our future policing activity. Please complete our short "Have your say form" by following this link; <https://goo.gl/czRs7f>

You said, we did...

You said....
Anti-social behaviour in Loftus.

We did... We have been carrying out our anti-social behaviour operation in Loftus, and have been working with partners to address the issues. A number of young people have been identified and are being dealt with by police and partners.

This week Stephen Hawking died.

He was an award winning physicist who faced huge challenges in his life. He showed perseverance and resilience to achieve great things.

Early Life

- 🧑 Stephen Hawking was born on January 8, 1942 in Oxford, England.
- 🧑 Both his parents studied at Oxford.
- 🧑 When he was nine, Stephen wasn't doing very well in school and just managed to be an average student.
- 🧑 He was always interested in how things work, and he took clocks and radios apart, but had trouble putting them back together.
- 🧑 His childhood nickname was Einstein.
- 🧑 Stephen was always interested in Maths and Science.
- 🧑 He won a scholarship to study Physics at Oxford.
- 🧑 Then, he studied cosmology at Cambridge.

Living with motor neuron disease

- 🧑 When he was 21, Stephen started falling over, dropping things and his speech became slurred.
- 🧑 Following tests, doctors concluded that Stephen was suffering from motor neuron disease; a disease which paralysed him, and he required a speech generating device to communicate.
- 🧑 He worked very hard to earn his PhD and even in his wheelchair he can communicate with a touch pad computer and a voice synthesizer.
- 🧑 When he was 65, he took a zero-gravity ride, which enabled him to leave his wheelchair, for the first time in 40 years.

Stephen Hawking Quotes

- 🧑 "It is a waste of time to be angry about my disability. One has to get on with life and I haven't done badly. People won't have time for you if you are always angry or complaining."
- 🧑 "I don't think the human race will survive the next thousand years, unless we spread into space. There are too many accidents that can befall life on a single planet. But I'm an optimist. We will reach out to the stars."
