

Skelton Friday Flyer

End of year 2017/2018

Happy Summer everyone!
A big thankyou to our wonderful teachers for their commitment this year and to you, our families for sharing your fantastic children with us!
See you Tuesday September 4th

The difference between try and triumph is **UMPHHHH**.

Congratulations to Faith Thomson Allan's family who won the family £25 ASDA voucher for achieving the school attendance target.
WELL DONE!

Leeroy's Joke Corner

Why can't penguins fly?

Because they are chocolate biscuits!

We say goodbye and good luck to our wonderful Y6 pupils. Follow your dreams!

We also say good bye to some beloved staff leaving us; to take promotions, to start teacher training and moving on to pastures new:

MRS NORRIS, MRS HEGARTY, MISS ROBINSON, MR YATES, MR RAILTON, MRS ROBINSON, MISS HOGGART, MISS WARD

You will be missed!

Goodbye and Good Luck

Friday	Breakfast club 7.45am £1.20, no need to book

FS1

'Children learn as they play. Most importantly, in play children learn how to learn.' (F. Donaldson)

The children in FS1 have had a wonderful time outdoors this year. They have developed socially and made so many discoveries about the world they live in.

FS2

What a busy time the FS2 children have had this year. They have visited some exciting places and met some very important people with special jobs. The children have acquired great subject knowledge and have expressed this through their writing and creative work!

Y1

We had a wonderful time learning all about different Julia Donaldson stories this term. We even went to see three stories brought to life at the theatre. We can't wait to continue our adventures in Year 2. Have an amazing summer everyone!

Y2

We have had the most fantastic year in Y2. We have laughed and learned our way from September to July, smashing our SATS and putting on a performance to be proud of. The children are more than ready for their trip down the corridor to KS2! Happy holidays everyone, enjoy your break.

Y3

What can we say about our lovely Y3 Children? Apart from the fact that they blow us away with their beautiful manners, their kind nature and their enthusiasm to learn... How about their incredibly amazing imagination! This term, we have taken magical journeys across the skies with our 'Around the world' topic. From flying whale ships to building bridges inspired by Isambard Brunel, our children have impressed us no end and once again proven there is no end to their talents. There is only one way for you all and that's up. Good luck in Y4, you will be amazing!

Y4

What an incredible year we have had in Year 4. All of the teachers have been blown away by the children's passion and enthusiasm for learning. From watching rice dance and experimenting with underwater recorders to celebrating the royal wedding with a tea party, we have enjoyed every moment of our Year 4 journey. We are going to keep being stars in Year 5 because we are all so talented in many different ways.

Y5

What a wonderful way to end a fantastic year. We finally got to go on the York Residential and the weather was sensational. Good luck for Year 6—you will be amazing!

Y6

As the year draws to a close, we have seen our amazing children leave us for their various secondary schools. Artists, athletes, mathematicians, musicians, dancers and even politicians! It has been our pleasure to teach you. Reach for the stars!

Free family activities
