

Friday Flyer

Dear Families,

Welcome to this week's news!

SPORTS DAY What a great sporting start we've had to the new term! With Year 2 showing their resilience in solving outdoor challenges alongside local schools. While it was a **HOLE** different event for some of our Year 1 and 3 children as they tackled the golf course with Ellie Padgett, Ethan McDonald and Kalin Fielden winning the group and Hollie Coulson being the overall mini golf champion. There were even more triumphs across KS2 with their sport's day finally taking place. Whist the winds were a great help for the vortexes throwing event, the same couldn't be said for the egg and spoon race which turned into a crawl and push the egg! The children were amazing and it's always great to see them making the most of the outdoor fun. A big thank you to all who came and supported the morning. Unfortunately, due to the weather KS1 and Year 3's was postponed.

What do you think?

Roblox Warning

Lots of children appear to be playing Roblox. Are you aware that it has a feature that means you can talk to others who are playing? We have had an incident this week of a child talking on the game to someone they don't know. If your child plays this game, please remind them of the need to stay safe online. Cash 4 Kids- Mission Christmas

Yes it's only September but we are on a mission! Last year, we distributed presents to children of families who wouldn't receive much at Christmas. This year, we are looking to do the same but would like your suggestions. Do you know of a worthy family who might benefit from a few additional presents? If so, you can nominate them.

All we need to know is the name of the family, how many children they have, the children's approximate ages 0-16 and whether they are a boy or girl. You can either complete a form available in the main reception or email your nomination to Mr Woolf at a.woolf@skeltonprimaryschool.co.uk by October 26th.

GOVERNOR VACANCY

There are currently two vacancies in school for co-opted governors.

Are you interested in education?

Do you work well in a team and enjoy offering opinions and solution to challenges?

Do you strive for high standards?

If the answer is yes then you could have what it takes to join the largest volunteer group in the country. Working with others you could become a co-opted governor at Skelton Primary School.

A school governor works alongside the school's leadership team to set targets, formulate policy and plan for future development. Governors set the framework which ensures that the school runs effectively.

Expertise We are especially looking for a member with finance, legal skills or social services experience. Do you know anyone within our community who can commit to an evening once a half term and a few hours during the day once a term? They might be retired, they might be a parent, a friend or a neighbour.

Upon appointment, governors receive full induction, a big welcome and are adopted by a year group who will look after them during their term of office.

If you know anyone who might be interested in finding out more, please contact the school office or contact Ms Walker directly: headteacher@skeltonprimaryschool.co.uk THANK YOU
