Family Tree Project

Miss Evans is currently working on an exciting display which will celebrate the cultural diversity we have at SPS. The children have been asked to research whether their parents or grandparents were born outside of the UK. If you know you have family that was born outside the UK and would like to celebrate this fact, please come to Miss Evans' classroom Monday lunchtime to help her.

Debate club

Over 20 children attended the first ever Skelton Debate Club this Tuesday. Children debated over the fairness of a range of statements and are beginning to develop an array of life long skills.

If you are interested in joining, come to Mr Campbell's classroom on a Tuesday lunchtime (every fortnight).

The School Council collated information from questionnaires given to all pupils and have analysed the results. We will be focusing on two areas of school that children would like to see improved.

TSB Bank—Piggy Bank Parade Design Competition

Skelton Primary School has been invited to take part in an exciting Art competition organised by TSB in Redcar. To enter, pupils will be provided with an entry sheet and their task is to produce the most creative piggy bank design. The three best entries will be sent off and if they are chosen by TSB, the winners will be provided with an Easter egg and also a real piggy bank to decorate, which will then be paraded in the Redcar branch. These piggy banks will then become donation points for the fantastic charity 'Helping Hands'. Entry sheets will be made available for pupils on Tuesday 26th January and must be returned by Friday 12th February.
