## CLEVELAND IRONSTONE EXPERIENCE *comes to* SKELTON PRIMARY SCHOOL

This week, all of the children enjoyed an assembly with some of the Ironstone museum staff as a taster for a four-day local history extravaganza next week. The children will have chance in school to:

- examine real artefacts from the mines
- wear a hard hat, dress as a miner and hear about the life of a TRAPPY LAD
- explore the pop up mine (in our lower hall) and press the plunger for a simulated explosion!

The children will also have chance to visit the Longacre site looking at photographs and making sketches.

This afternoon our lower hall is being transformed into an ironstone mine and by this time next week, we should be experts on our mining heritage!

Can you name these images & symbols?

## School Council

We would like to say a huge thank you to all of the children who have entered our 'Reading Badge' design competition. We had some fantastic entries and will announce the winner shortly. Over the next couple of meetings, we will be focusing on the 5R's and thinking about how we can promote and celebrate them in school.
