Dear Parents,

Welcome to this week's news. It has been another busy one; we hope that you could join us to enjoy sports' afternoons.

Please can we remind you about name tags? We have quite a collection of new cardigans, jumpers and coats on the Curly Caterpillar. Please call in, if you have anything missing. Also, please can we ask families waiting to collect their children at the end of the day at the front entrance to keep off the new grassed and planted areas. THANKYOU

Our target for the year is 97%+

Well done to Yellow 3, Grey 2, Purple 3 & Red 2 achieving 100%

Whole school attendance 96.4%

Please pop in for a chat if we can support you with your child's school attendance in any way.

SPORT'S APPRENTICES

We are pleased to announce that we have recently appointed two sport's apprentices: Mr Daniel Beckett and Mr Josh O'Donovan. They will be supporting PE and competitive sports, after school clubs, educational visits, play times and Nurture work whilst developing fine and gross motor skills with our younger pupils. An exciting programme of events, all while studying a day a week at college. Please look out for them around school.

PACKED LUNCHES

School Lunches Questionnaires were sent home to everyone who has a school packed lunch last week to find out... why! We have had quite an increase recently. We have been a little concerned to read that many families are reassured that they know what and how much their child is eating for a packed lunch. For that reason, we will shortly be removing our packed lunch bins in the hall and asking children to bring home all of their waste. We dispose of a worryingly large amount of uneaten fruit and unopen sandwiches every day, I'm afraid.
