GOVERNOR VACANCY

There are currently two vacancies in school for co-opted governors.

Are you interested in education?

Do you work well in a team and enjoy offering opinions and solution to challenges?

Do you strive for high standards?

If the answer is yes then you could have what it takes to join the largest volunteer group in the country. Working with others you could become a co-opted governor at Skelton Primary School.

The governing body works alongside the school's leadership team to set targets, formulate policy and plan for future development. Governors set the framework which ensures that the school runs effectively.

Expertise

We are especially looking for a member with finance or legal skills. Do you know anyone within our community who can commit to an evening once a half term and a few hours during the day once a term? They might be retired; they might be a parent, a friend or a neighbour.

Upon appointment, governors receive full induction, a big welcome and are adopted by a year group who will look after them during their term of office.

If you know anyone who might be interested in finding out more, please contact the school office or contact Ms Walker directly:
