# Neighbourhood Policing

## Guisborough Newsletter - April 2018

### Performance

The Guisborough sector covers the wards of Brotton, Guisborough, Hutton, Lockwood, Loftus, Saltburn, Skelton and Westworth.

### Sector areas of focus

The current areas of focus for this sector are:

#### Antisocial Behaviour in Loftus

This remains an area of focus, particularly around the youth club. We have been working with partner agencies to address the problems. We have increased patrols and have been working with young people in the youth club. A group of young people have been identified as causing anti-social behaviour and we are working with the Local Authority Anti-Social Behaviour Officer to tackle the behaviour of those responsible.

### News

- Earlier in the month, there was continued evidence of anti-social behaviour in Saltburn's Valley Gardens and the surrounding area. We have been patrolling the area at key times, liaised with volunteers and viewed CCTV footage to identify those responsible. Enquiries are continuing.
- Our officers have carried out a number of engagement events across all areas. Please look at our Facebook page for further details.
- A number of allotments across the area have been targeted by thieves, so we have directed our patrols at key times and carried out a number of crime prevention and property marking events. Further events will be planned.

### Have your say....

Tell us where you think we should be focussing. We will review your submissions every month to help inform our future policing activity. Please complete our short "Have your say form" by following this link: <https://goo.gl/czR67f>

### You said, we did...

You said...  
Nuisance vehicles in Guisborough.

We did... We received a number of calls about a vehicle being driven around without documents and causing a nuisance. Enquiries were made and the vehicle located and seized. We seized another car on Wilton lane and a Motor-bike in Brotton.
