This week's whole school attendance figure is 95.5%. Please remember to wash your hands regularly to help prevent the spread of illnesses. Sadly, this means that there was no 100% attendance winner. WE HAVE HIGH HOPES FOR NEXT WEEK- come on SPS!

## OUR CHOIR

This week our school choir were busy singing at Skelton Library as part of Mind Awareness week. A small group from Year 5 and 6 proudly sang songs that they enjoy. They made us proud and there were many happy faces in the audience. We would like to thank the library for the invite and for providing fun activities for the children to take part in after they had sung,

Next week the choir will be starting off the festive season when they sing in church. Please see the back of the Friday Flyer for details. We would love to see you at the event.

### SCHOOL COUNCIL UPDATE:

We will be sending out some questionnaires to all school children next week to ask what are the things they would most like to see improve in our school. We can't wait to hear their views and start get some plans into action.

Very strange things have been happening in Year 1 this week. The children were greeted with chaos in their classrooms on Monday morning. All clues pointed to a dinosaur invasion! Read all about it in the Skelton Primary News. Article written by Ruby Turner.
