Year 3 Visit to Tesco. Year 3 started off the week with a very exciting trip to Eston Tesco. The children were shown behind the scenes in the supermarket. They got to see how the bread was made. Can you believe they make over 3000 bread buns a day in the store? They also saw inside the huge freezers and delivery areas. After that, they learnt all about the various fish, cheese and fruits in store. It was a fantastic trip. We would especially like to thank Linda from Tesco for making it so enjoyable and thanks for all the foods to taste – we all have very full tummies now!

Our entrance hall has been spectacularly decorated with 170+ boxes of cornflakes this week. Please collect asap if you received a letter!

Smooth Transitions

We are in our final term of the school year, and what an incredible journey the children and staff have been on so far! It won't be long before the children move into their new Class, on to Year 7 or transfer into our nursery from home or another early year's provision. We want these transitions of change to create excitement, build trust so children are confident in their support network and be positive experiences to ensure they transition with ease.

The children transition to their new year group and Class on the 3rd July until 21st July, the end of the academic school year! We wish our Y6 children all the best in their new adventures of learning in one of the five feeder schools!

Information regarding next year's Classes will be sent home shortly.
