Dear Families,

Welcome to this week's news. Thankyou so much for attending our very busy Open Evenings this week. Our children were proud to show their work and the taster freebies from the kitchen went down very well!

This year to support our fantastic Y6 pupils, a charter has been devised (by the pupils themselves) to navigate them through the year. Some of the perks of being Y6 are having lockers, planners, eating with different crockery and wearing a tie.. but only if you can tie it yourself and wear it responsibly. What do you think about our three models?

SCHOOL LUNCHES Children may transfer onto school lunches with just a week's warning moving forward. (We have received a lot of requests.)

JEWELLERY & PE

Please can I remind you about school policy on wearing jewellery. Children may wear a watch and one pair of plain ear studs. All jewellery must be removed for PE and using the castle.

Well done to Orange 1, Grey2, Red2 & Red 3 who achieved 100% this week.

Whole school attendance - 97%

GOVERNOR VACANCY

There are currently two vacancies in school for non-parent governors. A school governor works alongside the school's leadership team to set targets, formulate policy and plan for future development. Governors set the framework which ensures that the school runs effectively.

Expertise We are especially looking for a member with finance, legal skills or social services experience. Do you know anyone within our community who can commit to an evening once a half term and a few hours during the day once a term? They might be retired, they might be a parent, a friend or a neighbour.

Upon appointment, governors receive full induction, a big welcome and are adopted by a year group who will look after them during their term of office.

If you know anyone who might be interested in finding out more, please contact the school office or contact Ms Walker directly: headteacher@skeltonprimaryschool.co.uk
THANK YOU

CROSS COUNTRY

There's been an early start to this year's cross country competition and what lovely mild weather they had to run it in. Twenty-four children from KS2 went to the first heat of the Cleveland Schools Sports Partnership Local Cluster. For many it was the first time that they had ever ran the 1.3 or 1.8km distances. The children faced some tough opponents and really showed their 'umph' in their races. They were amazing, especially Holly Bryce from Year 3, who came third in her first ever race against a field of mainly Year 4's! All of their efforts have gained us points on the cluster score board which saw us finishing third last year. Some special congratulations to the children who are now going on to represent the East Cleveland team in the CSSP finals which are Holly Bryce, Finlay Turner, Louie Peacock, Poppie Peacock, Shai Dixon, Marley Burgess, Cohen Rodgers and Charlie Thornton. This event will take place on Wednesday 3rd October at 1pm until 3pm (*the children will be back at school by 3:30pm*) at St. Peters in Brotton. Parents and carers are welcome to come and support their child.
