Dear Parents,

Welcome to this week's news! Last week ended so well with our wonderful Mothers' Day service on the playground. The sun shone and we hosted over 400 visitors. Thank you for your support. This week, we have enjoyed Year 1's assemblies, all based on traditional tales and Foundation Stage 1 have shared family picnics. This afternoon, everyone has been beavering away to complete their Easter egg competition entries. A big thank you to Friends for judging. We have some stunning models. Look out for the winners next week.

Our target for the year is 97%+

Well done to Orange 2, Blue 3 & Yellow 2 who achieved 100%

Whole school attendance

96.6%

SCOOTER BAN for some!

Please dismount your scooter before coming onto site. We have had to ban some of our children from bringing their scooters to school. Don't let it be you!

FUN SNAPS

We have also had a few incidents with shop bought bangers/snaps. These should not be brought onto school premises. Any that are confiscated will be expected to be collected by an adult.

YOUTUBE

Many of our children enjoy watching videos on Youtube but increasingly more and more cartoons have been spoiled with disturbing story lines. Did you know that there is a 'YouTubeKids' which has a restricted mode at the bottom of each page that offers even more security for children?

Mother's Day Celebrations

A huge thank you for your support with our Mother's Day celebrations. Our outdoor concert was a great success, thanks to the wonderful choir, wonderful children, hard work of the staff, such an amazing turnout of families and the sunshine! Here are the winners of our 'I Love my Mum' competition'

Ellie and her Mum.

Harry and his Mum.

A big THANKYOU to Skelton Coaches for sponsoring our Mother's Day Competition.

Fun at the Farm!

Y3

Yesterday, Y3 enjoyed a wonderful visit from Ian's Farm. Rather than heading out, the farm came to us and for one day our school field was transformed!

There were animals aplenty: pygmy goats, miniature cows, Dominic the donkey and a whole host of other creatures. The joy of learning about each animal, handling and feeding them was evident through the huge smiles and squeals of delight (from the children, not Neville the piglet!)

Learning is great fun in FS2!

We have been busy sharing our mathematical learning with our families. We played games, made patterns and even went fishing!

FS2 staff are very proud of the wonderful progress our children have been making, especially with their writing. This amazing writing was written and illustrated by the very talented Harry Ditchburn.
