

# Friday Flyer

Friday, 27 November 2020

Head teacher: Ms S.E.Walker  
Chair of Governors: Mrs H. Swarbrick  
Tel: 01287 650689  
Web: [www.skeltonprimaryschool.co.uk](http://www.skeltonprimaryschool.co.uk)  
Email: [office@skeltonprimaryschool.co.uk](mailto:office@skeltonprimaryschool.co.uk)

**Hello everyone,**

How are you?

Everyone has enjoyed watching Y6's World War 2 assembly virtually this week. You will receive an invitation shortly to view on our YOUTUBE channel. We will also be sharing our Christmas carols so look out for the link - our tree is going up on Monday... Christmas is coming to Skelton!

## Attendance

Scores so far this year: Boulby 24, Transporter 24, Catnab 23, Hilltop 22

Middlesbrough Football Club Foundation

who delivered and helped to source breakfast and lunch hampers as well as hot meals during lockdown will be funding our breakfast club food and the bagels for our whole school from January

**WOW! Thankyou**

The PAD Foundation will fully fund and install a defibrillator in our front entrance very soon. It will be there for our school (of over 600) and wider community during opening hours. **WOW!**

**Thankyou**

## Stanley's Joke Corner

What's a goalie's favourite snack?

Beans on post!

Christmas lunch & wear your own clothes day  
FRIDAY DECEMBER 18<sup>th</sup>

Take a look at our  
**festive  
Menu**

Let us know if your child would like to Christmas lunch

Roast turkey, roasties, peas, carrots, sage & onion stuffing, chipolatas, gravy and cranberry sauce.  
Or  
Veggie filo cracker, roasties, peas, carrots, sage & onion stuffing, chipolatas, gravy and cranberry sauce.

Christmas tree or snowman shortbread biscuit

\* Lunches for every child in FS2, Y1 and Y2 are FREE! If you would like to find out more about Mellors and our meal offer please contact school.

\* We are really looking forward to welcoming back Year 2 on Monday after a fortnight's remote learning. The teachers are so impressed with how well the children have got on and how much progress they have made. We have been able to loan out IPADS to all of those that have needed them too. We can't wait to see you!

\* We break up 18.12.20 return Tuesday 05.01.21

# LOOKING AFTER YOUR TEETH

*Our mouths are 98.6 degrees temperature. They are wet and warm and contain lots of bacteria which can lead to plaque deposits, calcification, gum disease and holes in teeth!*

**Your teeth look great and do a very important job. Look after them!**

### Children up to 3yrs

We should start to brush as soon as teeth appear (usually at around 6 months).

Parents or carers should build a simple routine twice a day using fluoride toothpaste— you only need a smear!

### Children aged 3 years+

Brush at least twice daily for about 2 minutes with fluoride toothpaste.

Brush last thing at night before bed and at least on 1 other occasion.

Brushing should be supervised by a parent or carer until routines are well established. Use only a pea-sized amount of toothpaste.

Spit out after brushing BUT don't rinse – if you rinse, the fluoride won't work as well.

*Make sure children don't eat or lick toothpaste from the tube. They will pass the breath test but not the cleanliness one!*

## How to help children brush their teeth properly

- Guide your child's hand so they can feel the correct movement.
- Use a mirror to help your child see exactly where the brush is cleaning their teeth.
- Make tooth brushing as fun as possible by using an egg timer for about 2 minutes. Over brushing can damage your teeth and gums– 2 minutes is just right!
- To avoid choking please stand still when brushing.

- ### Avoid
- Fizzy drinks, cordials and fruit juices in between meals.
  - Opening packaging or bottles with your teeth.

### Christmas gift ideas

- New tooth brush
- 2 minute timer

Your teeth will last you a life time if you look after them!

Change your toothbrush every 3 months

## DENTIST

Lots of people are frightened of going to the dentist. It is important to attend every 6 months and make it as fun as you can for your child.

- NHS dental care for children is free.
- Take your child to the dentist when their first milk teeth appear. They can become familiar with the environment and get to know the dentist. The dentist can advise you on how to prevent decay and identify any oral health problems at an early stage. Just opening up the child's mouth for the dentist to take a look at is useful practise for the future.

Take your child for regular [dental check-ups](#) as advised by the dentist.
