How are **you** and **your family** keeping active?

Are they missing their clubs and activities?

A **free online** 'After School Sport Club' has been launched by the Youth Sport Trust following the ban on children's sport outside school. Its aim is to help families to stay active during the second lockdown.

Similar to Joe Wicks, the 30-minute club will take place at **5pm each weekday** and is led by a member of YST's athlete mentor network (such as Stuart Downing and Olympian Jeannette Kwakye).

There are different themes for each day of the club -

Adventure Monday - Tuesday Play - Wild Wednesday - Thinking Thursday - Fun Friday

Some will involve the use of household items.

After School Sport Club will run for five weeks (from Monday 9th until Friday 18th December) and children and young people can take part live by visiting the YST's

YouTube channel, www.youtube.com/user/YouthSportTrust

Operation Christmas and other family support.

As in previous years, we are involved with TFM's Cash 4 Kids charity to provide Christmas presents to families who would struggle otherwise to provide them. If you or a family you know will struggle this Christmas to provide presents for children, please contact me to arrange further support.

Please don't be embarrassed as we can sort discretely. We all know how tough 2020 has been for our families who have been furloughed or made redundant.

Have you been furloughed? Are you struggling financially?

If so, we can support with foodbank referrals to help in the coming weeks of lockdown and beyond.

For further information or support for any of these issues, please contact Mr Woolf via the school phone number or email direct to:
