## Hello everyone,

How are you all?

Welcome to this week's news. Most of our children received the flu immunisation this week and the continual hand washing has much reduced the coughs and colds around school: something good out of these challenging times! Attendance is continually higher than average and while we do have a few isolating, home learning can begin right away. We have had no reported cases of covid in school.

We break up next Friday for half term. Ms W
