

# Friday Flyer

**Head teacher:** Ms S.E.Walker  
**Chair of Governors:** Mrs H. Swarbrick  
**Tel:** 01287 650689  
**Web:** www.skeltonprimaryschool.co.uk  
**Email:** office@skeltonprimaryschool.co.uk

Dear Families,  
 It has been a privilege to attend the assemblies of Y2 and Y4 who have entertained and taught us this week. The powerful message of climate change and the need for action were very well shared in both words and song. **THANK YOU**

## DISCO DIVAS

The disco was a great success on Wednesday evening. S.P.S. children know how to dance!

## Texon

Thank you to a group of staff at Texon for a generous donation from their lunch club, it will be put to good use to support our children and families.

## This week's House Champions

## Attendance

Our Target - 97%+

Well done to Brown 1, Grey 2 & Purple 3 who achieved 100% this week.

Whole school attendance - 96.5%

## Head Teacher Award

<b>Friday</b>	Breakfast club 7.45am £1.50, no need to book Choir 8am Break up today for half term. Return Mon Feb 24th

BLACK SHOES  
ONLY PLEASE,  
NO BOOTS!

## An Acrostic Poem from Delilah & Bethan

Every environment deserves to be well looked after  
Nobody deserves such a horrible place  
Victory can be achieved if we work together  
I can help by reducing the amount of waste  
Rocks, trees and plants are what we need to help  
Our planet is our future  
Nothing will stand in our way  
Many people treat the earth like a mere stabiliser  
Everybody deserves a healthy home  
Now is the time to act, nothing will stop if we all work together  
The planet needs our help, can you help?

A virus named the coronavirus has started to spread from China. Previously, it had never been seen in humans before and it is spreading more widely to different parts of the world. It's called a coronavirus because, under the microscope, it looks like lots of little crowns. It is thought the outbreak started in Wuhan, China. The virus is a respiratory virus, which means it can affect people's breathing and lungs. Like a cold, it can be spread by coughing and sneezing. Governments around the world are starting to take action to contain it. In the UK, the risk is considered low and people, who fly into airports here from affected areas, are being checked out.

*Things to talk about at home...*

Who helps you when you feel ill?

Do you feel it's all of our responsibility to stop our illnesses from spreading?

Do you think countries should be banning travel to help stop the coronavirus from spreading?

FAIRSHARE RAISED £59 for curriculum enrichment this week. Thankyou!

## Right of the week

Article 31- I have the right to play and relax.

### Young Health Champions

This week the children worked with Gary and Karen and made their own basic tomato base using lots of different vegetables. Karen is the catering monitoring and advisory officer for Redcar and Cleveland Council. She explained health benefits of all the food groups involved. We hope that they will teach their parents how to make this healthy, simple dish.

## BIKEABILITY

Many of our Y5 & Y6 children have been taking part in a school scheme to support bike safety and road awareness this week. The Bikeability Team have been just marvelous and we want to thank them for doing a great job.

## Rights Respecting Schools

This week we are celebrating the fact that Skelton Primary School has achieved a Unicef Rights Respecting Schools (RRS) Bronze Award: Rights Committed for its work in creating a safe and inspiring place to learn for pupils. Unicef works with schools to make sure children's rights are respected, their talents are nurtured and to help them develop an enjoyable learning environment in which they can thrive. The RRS Award embeds these values in daily school life and gives children the best chance to lead happy, healthy lives and to be responsible and active members of school and their community.

There are three levels of RRS award: Gold - Rights Respecting Silver - Rights Aware Bronze - Rights Committed

The Award recognises a school's achievement in putting the United Nations Convention on the Rights of the Child at the heart of the school's ethos to improve well-being and outcomes for every child and to help all children reach their potential. We are now busy working towards achieving the Silver level.
