Right of the week - Article 15

We have the right to play with other children.

No Elvis badges! I'm afraid that our stock of behaviour badges has run out. Our expected delivery from December last year has been further delayed; we are told by the suppliers due to the coronavirus. We will keep a list of IOUs, sorry!

Crisp Packets

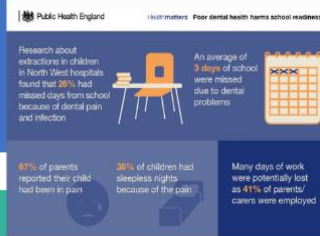

We are collecting empty crisp packets at lunchtime so that they can be recycled. Look out for this bucket to put them in.

The Big Debate

This week we have
been debating:
**"Should screen time
be limited?"**
What do you think?

Sporting Success

This week we have had fabulous sporting teams in swimming and tennis. Year 5 Boys swam amazingly in the next round of the CSSP Gala and the Year 3 Team bounced themselves in to second place. We are very proud of how both groups encouraged each other and were ambassadors of our 5R's.

2nd March 2020
What's going on this week?

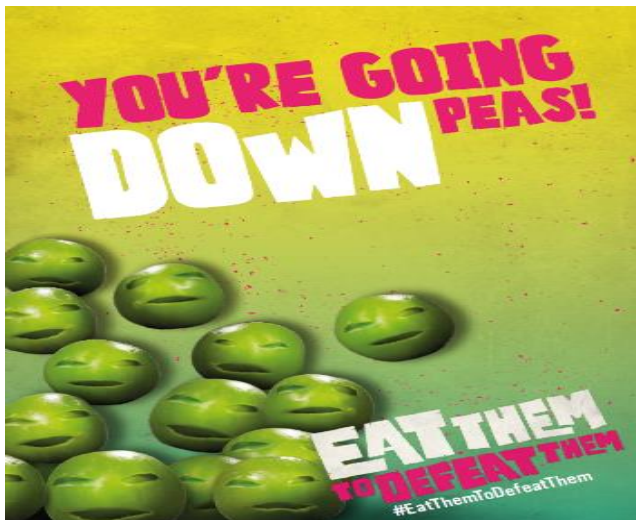

A supercomputer is to be developed to support the Met Office in a huge project to improve weather forecasting. The new technology is to be funded by a £1.2 billion investment from the government and will be managed by the Met Office. It is expected the computer will be the most powerful forecasting system in the world and will be able to offer more precise weather and flood updates.

Things to talk about at home...

- 🌱 Do you listen to or read about the weather forecast?
- 🌱 Does knowing the weather forecast change any of your daily activities?
- 🌱 Has there ever been any extreme weather near where you live?

Eat Them to Defeat Them 2020

This week we have been crunching the carrots.
Next week we hope to defeat lots of peas.
