THE RAINBOW CHILDREN

The history books will talk of now,
That time the world stood still.
When every family stayed at home,
Waved out from windowsills-
At those they loved but could not hold,
Because they loved them so.
Yet, whilst they did they noticed all the flowers start
to grow.

The sun came out, they can recall,
And windows, rainbow filled.
They kicked a football in their yards,
Until the night drew in.
They walked each day but not too close,
That time the world stood still.
When people walked straight down the roads,
That once the cars did fill.

They saw that people became ill,
They knew the word was scared.
But whilst the world stood still they saw,
How much the whole world cared.
They clapped on Thursdays from their doors,
They cheered for the brave.
For the people who would risk their lives,
So others could be saved.

Well done everyone.

You're doing a great job!

The schools closed down, they missed their friends,
They missed their teachers so.
Their Mams and Dads helped their work,
They helped their minds to grow.
The parents used to worry that,
As school were put on hold,
Their children wouldn't have the tools,
They'd need as they grew old.

But history books will talk of them,
Now adults, fully grown.
Those little boys and girls back then.
The ones who stayed at home.
They'll tell you that they fixed this world,
Of all they would fulfil.
The RAINBOW children building dreams,
They'd dream whilst time stood still.
By Gemma Peacock

Well done to our childcare children and staff this week who have created a
HUGE CHALK PLAYGROUND MURAL to say thank you to NHS.

First day back at school after lockdown 🤔😅👧👦

Dear Families, How are you? How are your families?

I hope that the photo above raises a smile. There are many moments that our grit has been sorely tested recently and humour helps a little!

There was good news from the Prime Minister last night and we have hopefully passed the worst of covid-19 but we must continue to follow instructions to minimise a second wave.

There has been much unhelpful speculation and conjecture in the press about the reopening of schools. I would like to reassure you that no decisions have been made and we are in no hurry to rush through systems that might put the welfare of our children, staff and families at risk. We are currently supporting up to 30 children daily, in two different parts of school and with very vigilant routines of social distancing and hygiene.

'No contact' and 2metre distancing within a full school of 3- 11 year olds in terms of learning and emotional wellbeing are simply not possible. Whether it is later this term, September or beyond we will keep you fully informed and support you as much as we can. Please don't worry.

Sarah Walker & all staff

If you are struggling in anyway, please let us know

- We can help with breakfast hampers
- We can help to direct you to support & available services
- We can help and support with emotional and mental health issues. Please check out the Nurture home page for tips and ideas. Remember that frustrations and frictions are to be expected.
- Even just a phone call. We are refining our safe and well contact procedures in the coming week listening to your feedback. Thank you for your support & encouraging comments.

Shared home learning is posted daily on FB
between 6-8pm. (You're doing a great job!)

Look out for our new
YOUTUBE channel.

Mrs Rowell's Joke Corner

Did you hear the joke about the germ?

Never mind, I don't want to spread it.

!! please remember to check your child's online activity!!

!! Please remind you child to speak kindly to each other online!!!!

May 8th is VE Day. What is VE Day?
Watch out for an online lesson from Thomas & Imogen.
Ready those flags, learn those songs and celebrate!

CONGRATULATIONS
Mr Campbell & family
who welcomed a baby
boy this morning!
