Hello everyone,

How are you?

It has been a busy week and we wait with baited breath to find out the winners of our 2020 Skelton's Got Talent. Have you voted?

You will be receiving any day now:

- your postcard from your new teacher (please write back!) and
- a copy of your time capsule passport. Your passport will keep you busy for the next eight weeks and those completed passports (including Y7) shared with school will earn a prize in September
- Reports have been sent via parent app and available anytime for you to view.

Look out for a welcome video from your new teaching team and an interview with your class teacher before July 14<sup>th</sup>.

Please remember that we are open on July 10<sup>th</sup> but closed for the summer break from Thursday July 16<sup>th</sup>.

## Mr Newton's Joke Corner

Why did the robot go on holiday?

To recharge his batteries

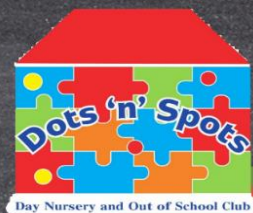

Huge congratulations to one of leavers - Archie who has used his lockdown to help others and keep fit. He set himself a challenge during lockdown of raising money for the Alzheimer's Society. He has walked a million steps, which was 444 miles in 2 months - and then decided to continue the challenge and walk another 430 miles on top, which will be the equivalent of Lands End to John O Groats. Archie has raised £300 for charity so far.

Well done Archie!
