Internet Safety Guidance  
 What are parental controls?

- Parental controls are software and tools which you can install on phones or tablets, games consoles or laptops – and even your home broadband.
- You can also use them to help you block or filter the content your child sees when searching online. Also, family-friendly public Wi-Fi can help when you're out and about.
- Parental controls are also available to help you to:
  - plan what time of day your child can go online and how long for
  - stop them from downloading apps they're too young for
  - manage the content different members of the family can see.
- So, whatever your child is doing online, there's a way that you can help keep them safe.

**DEFIBRILLATOR FUND RAISING**  
**The PAD Foundation Charity**  
**Push August 25<sup>th</sup>**

A fundraising event will take place on August 25<sup>th</sup> with a charity bed push from the Duke William (Skelton) to The Railway Arms (Brotton). The event starts at 10am and includes a tug of war, street entertainers, stalls and snack. All funds will be used to install more public access defibrillators in our area..... And guess who is making the Skelton scarecrow to go in the bed?????????

## Spelling Bee Final

After a gruelling process, Monday will be the grand final of the Spelling Bee Competition. Children will battle it out against their peers to be crowned their year group champion. Make sure you cheer the person on who is representing your house.

Meet the finalists:

### Year 1

Zuri Adams, Darcey Fowell, Lois Leyland, Elliot Shaw and Jamie Porritt

### Year 2

Phoebe Haigh, Phoebe Beckwith, Lucy Jones, Ted O'Hare and Evie Young

### Year 3

Rosie Jarvis, Emilie Gibson, Ava Thompson and Mason Starling

### Year 4

Finlay Turner, Bella Beckwith, Joseph Burns and Seth Hodgson

### Year 5

Isabelle Hedges, William Keeler, Leon Brown and Lily Watson

### Year 6

Ruby Mays, Tommy Dixon, Charlie Thornton and Chloe Kennedy

Good luck to all.

# Water Safety Code

Water is lovely to enjoy in the warm weather. It is such fun with family and friends!

Living near open water and the beach means that we have to be especially careful with the guidance and support that we give to our children.

Devastating statistics tell us that on average 40-50 children drown every year in the UK. Please remind your children to keep safe when near or in water this summer.

*Water may look safe, but it can be dangerous. Learn to spot and keep away from dangers.*

*You may swim well in a warm indoor pool, but that does not mean that you will be able to swim in cold water.*

Why not enjoy swimming with your family this summer? Try some swimming lessons or join a local swimming club (Salisbury, Gulsborough or Lottis). HAVE FUN!

Our Family Support Worker

Mrs Joy Smith

is here to help!

## Spot the dangers

The dangers of water include

- Very cold temperatures
- Hidden Currents
- Fast flowing water, beware of locks and weirs
- Deep water, it can be difficult to estimate the depth
- There may be hidden rubbish or debris under the surface that can trap, snag or cut
- It can be difficult to get out, banks can be steep, slimy and crumble away
- No lifeguards, most outdoors waterways do not have lifeguards
- Water pollution may make you ill.

## BEACH WARNING FLAGS TYPES

### National Curriculum at Primary School

At Skellon Primary School, we will try our best to make sure that every child

- Leaves able to swim 25m.
- Use a range of strokes effectively.
- Perform safe self-rescue.

### Whether 2 or 200.

**always swim with a buddy!**

### Take Safety Advice

Where possible you should swim at a swimming pool or beach where a lifeguard is present. When this is not possible look out for special flags, on beaches, and notices, on inland waterways, which will tell you what to do.
