Dear Families,

How are you?

Our KS2 bubbles have opened this week with a very positive start. A huge thank you for the patience of our families and very sensible attitude of our children. They've done so well! The building is more than half empty but it is lovely to hear children's voices.

Childcare closes today and lower school bubbles open on Monday between 8.40-9.10. **School is now safely full.**

Staff are working very hard and will continue to coordinate work at home and in school and make welfare calls and prepare for transition. Thank you for your support.

Keep safe everyone, Ms Walker
