Summer Reading Challenge at Skelton Library

Up for a challenge this summer? You will need to read (or be read to) 6 books from our library in the July & August period.

The theme this year is 'Wild World Heroes'.

You will be given a little starter pack and then receive stickers and treats along the way. You will receive a certificate & medal when you finish. Check out 'summerreadingchallenge.org.uk' for more.

This is a brilliant way to encourage reading and we have always found that any children doing it have thoroughly enjoyed the experience.

YOUR WARD

The official ward newsletter for SKELTON EAST

Off-road Bikes – Skelton East

Police have received numerous complaints of off-road bikes and vehicle related crime throughout the Skelton East ward, particularly around the Parkers Pit area close to Skelton Industrial estate as well as the courts area of Skelton East.

The local neighbourhood team are aware that this causes alarm and distress to local residents and police continue to carry out Operation Endurance with a view to tackling the use of illegal off-road bikes.

Enforcement action has been taken across the East Cleveland area with the support of volunteers and Special Constables. Police would always urge people to call us with any information they may have to help them identify those responsible and encourage residents to report these issues via 101 or call 999 in an emergency.

Midsummer Miners!

The neighbourhood team is looking forward to attending Minersfest 2021 on Saturday 21st August at North Skelton football field and will be present at other summer events in and around the Skelton area.

You said, we did

Police received calls about the illegal use of off road bikes and positive enforcement action was taken.

The team will continue to run Operation Endurance across the ward to help identify offenders and educate them on the use of off-road vehicles.

Inspector's Update

The antisocial and illegal use of off road bikes and quads continues to be a concern.

Please report these to us particularly known drivers and homes the bikes are visiting or being stored at.

With Covid restrictions lifting we will be attending more events and engagement opportunities. Please let us know if you have an event you want us to attend.

Thank you,
Insp Neil Deluce

Crime, ASB figures and Priorities

Throughout the month of May 2021:

- Police have received a total of 13 reports of antisocial behaviour in the month of May, mainly focussing on vehicle related crime. This is a reduction of 22 reports when compared to this time last year.
- Youth related antisocial behaviour is very low at the present time and officers continue to work closely with Skelton Primary School and monitor local issues.
- A total of 32 crimes were reported in May, a decrease of 7 compared to May 2020.
- One male was charged with an alleged common assault.

Further crime information can be found via the Cleveland Police website here:

<https://www.cleveland.police.uk>

Ward Priorities

- Tackling youth related ASB in the area of Skelton Park and Byland Road
- Conducting patrols and enforcement operations to address the issue of off-road bikes in and around the area of Parkers Pit and the courts.

Crime prevention seasonal advice

Traditionally, we see an increase in 'walk-in' burglaries as the warmer weather arrives, however, we always need to be on our guard from this type of crime, and keep doors and windows locked. A staggering 1 in 3 burglaries or 33% are via this method.

- Get into the habit of locking your doors and windows, as soon as you get in or are outside.
- Don't leave keys in the door, or by the door.
- Secure windows
- Set your alarm overnight

Dates for your diary

Please contact your local neighbourhood officer, PCSO Adam Bell, with regards to any events taking place in the ward where officers can try and attend on the contact details provided.

Keep an eye on local Facebook page "East Cleveland NPT" for upcoming property marking events in the Skelton East Ward!

Crime, ASB Figures and Priorities

During April and May, police in the Skelton West ward dealt with the following:

- 8 incidents of antisocial behaviour, down by a third.
- One reported burglary within Boosbeck High Street.
- Two theft and handling reports.
- Eight reports of criminal damage.

Ward Priority

Due to a spate of reports of sightings and anecdotal evidence of off-road vehicles being used on public highways and elsewhere illegally, we are focussing on their usage by stepping up patrols in reported locations.

Additionally, we are aware of instances of ball bearings being fired from catapults and causing damage recently. This may have stopped after our recent interventions in neighbouring areas, but the team will not be complacent.

Summer Safety in Skelton

As lockdown restrictions have lifted so far, certain types of antisocial behaviour have predictably increased.

These include the illegal driving of off-road vehicles on public land, the illegal use of powerful catapults and the antisocial setting of fires in inappropriate locations.

Your neighbourhood policing team has taken action to deal with these matters and will continue to do so.

Officers will monitor hotspots, patrol with high visibility and gather more information about any concerns raised by the community. Contact details are overleaf.

Midsummer Matters

Neighbourhood officers will be positioned at Skelton Civic Hall on Saturday 26th June in order for any members of the public to discuss any matters of concern or interest within the community.

You said, we did

Police received reports of fires being set at Longacres Mine (Parkers Pit) and at North Skelton football field.

We issued official warnings to individuals who had been involved, visited their home addresses and made some referrals. Officers will keep a look out for any resurgence.
