Hello everyone,
How are you?

The sound of Skelton proms rang out around school this afternoon and the children delighted us with their fine voices! Albeit in a socially distanced way.

Our reports and children's pic collage work is ready to share and we hope you will be proud and pleased with what you see. As I mentioned last week, the BIG IDEAS portfolios will come home as they are completed (not necessarily before the end of term) please do ask your children about them; we are delighted with their fabulous recording as each one is unique.

Just one more week (and a short week at that! (We are closed next Friday) before we move into our new classes with our new teachers. Sadly, a second bubble has popped this week but Y5 have returned. Please keep safe everyone!

Ms Walker

REMINDER

FRIDAY JULY 9th is a staff training day.

School will be closed as usual as we prepare new classrooms for new classes.

COLLECTING YOUR CHILD EARLY FROM SCHOOL

If you need to collect your child before the end of the school day, you will need to send in a copy of the appointment card or letter please. The children are learning right up until the end of the day and we would urge you to book appointments outside of the school day where you can.

THANKYOU

TRANSITION WEEK LUNCHES

Our lunch menu will be further enhanced in the new school year. Alongside the usual menu children will be able to sign up for a guaranteed grab bag option. To give the children a chance to experience a grab bag they can choose from cheese, ham or tuna, each day during transition week (we hope to picnic outside if we can.).

NUT FREE SCHOOL

Due to number and range of allergies that we have in school, I am afraid that we can no longer accept food donations or celebration cakes to share with the children.
