## Does your child play outside?

Do you know where your child is?

**ONCE AGAIN**, we have had to field a number of reports of concerning behaviour at the park after school this week. Please monitor your child's movements and company.

Some of our children are mixing with older students and making poor choices.

Rights Respecting Schools

This week we have been looking at Article 24. All children should have information about how to stay safe and healthy. The Fire Brigade sent us a PowerPoint to share in our class teaching us about road safety.

**!! Appeal for socks and underwear, trousers, skirts to boost our stocks for when 'accidents' happen; age 3-7 !! THANK YOU !!**

If you have any questions please contact your child's teacher.

# Homework
