1. Aims

Our school aims to have robust, clear processes in place for charging and remissions and to clearly set out the types of activity that can be charged for and when charges will be made.

2. Safeguarding

The school provides a safe, secure and stable base for children helping to protect them from harm. The welfare of the child is of paramount importance to all the adults who work in our school. To achieve this aim Skelton Primary School will:

- Provide an environment where children feel can learn and develop. One in which they feel safe and encouraged to talk and are listened to.
- Expect all staff including external providers to:
 - a. annually read and sign that they understand the current DfES document [Keeping children safe in education 2025](#)
 - b. have an enhanced DBS check

3. Legislation and Guidance

This policy is based on advice from the Department for Education (DfE) on charging for school activities and the Education Act 1996, sections 449-462 of which set out the law on charging for school activities in England. Academies are required to comply with this Act through their funding agreements.

4. Definitions

- Charge: a fee payable for specifically defined activities
- Remission: the cancellation of a charge which would normally be payable

5. Roles and Responsibilities

The Skelton Primary School FGB has overall responsibility for approving the charging and remissions policy, but can delegate this to a committee, an individual governor or the headteacher.

The headteacher is responsible for ensuring staff are familiar with the charging and remissions policy and that it is being applied consistently.

Staff are responsible for implementing the charging and remissions policy consistently.

Parents are expected to notify staff or the headteacher of any concerns or queries regarding the charging and remissions policy.

6. Basic Principles

No charge can be made for education during school hours.

The definition of 'education' includes materials, equipment **and transport provided in school hours by the school to carry pupils between the school and the activity.** 'School hours' are those when the school is in session and do not include the break in the middle of the day.

School trips, visits and practical activities enhance the pupils' learning and broaden their knowledge and experience. These are undertaken with the voluntary contributions of parents and can be defined as 'Optional Extras'.

The school reserves the right to cancel any school trip if there are insufficient contributions.

7. Admissions

There is no charge for admissions.

8. School Meals

There is no charge for children who are entitled to free school meals or universal infant free school meals. Pupils who are not entitled to free school meals will be charged a set amount per day decided by the school.

School meals charges are reviewed annually, and parents will be given one half term notice of any increase. Parents are required to pay for school meals in advance. Entitlement to free school meals is verified by the Local Authority. Where the Local Authority has rejected a claim for free school meals, that decision will be final and the school will not subsidise the cost of providing school meals for any pupil.

9. Statutory Examinations

There is no charge for examinations that are part of the curriculum and on the school's set examinations list, where children have been prepared for the examinations by the school.

10. Activities that take place outside of school hours (non-residential)

There is no charge for activities that take place outside of school hours when they are:

- part of the set curriculum including sports matches against other schools

11. Activities that take place during school hours (this does not include the break in the middle of the school day)

There is no charge for activities during school hours except for private music tuition. **There is no charge for transport during school hours to school-organised activities. Exceptions apply for some school visits which are optional extras.**

Swimming

The school provides swimming lessons these take place in school time and are part of the National Curriculum. We make no charge for this activity. We inform parents when these lessons are to take place, and we ask parents for their written permission

12. Where Charges Can Be Made

Below we set out what we can charge for:

a. Education

- Any materials, books, instruments or equipment, where the child's parent wishes him or her to own them
- Certain early years provision
- Community facilities

b. Optional Extras

We can charge for activities known as 'optional extras'. In these cases, schools can charge for providing materials, books, instruments or equipment in relation to these activities

The following are optional extras:

- **Transport (other than transport that is required to take the pupil to school or to other premises where the local authority or governing board has arranged for the pupil to be provided with education)**
- Board and lodging for a pupil on a residential visit

The school also charges for additional childcare requested by parents:-

- Extended day services offered to pupils (such as breakfast clubs, specialist lunchtime coaching sessions, after school clubs and supervised homework sessions).
- Additional paid hours for Nursery pupils beyond the 15-hour free entitlement / 30 hour extended working parent entitlement

When calculating the cost of optional extras, an amount may be included in relation to the following:-

- Materials, books, instruments or equipment provided in connection with the optional extra
- Non-teaching staff (including TAs)
- Teaching staff engaged under contracts for services purely to provide an optional extra (including supply teachers engaged specifically to provide the optional extra)
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra
- Transactional and admin fees

Any charge made in respect of individual pupils will not be greater than the actual cost of providing the optional extra activity, including admin and transaction fees, divided by the number of pupils within the class or year group expected to partake. A charge may be rounded up or down to the nearest pound.

Any charge will not include an element of subsidy for any other pupils who wish to take part in the activity, but whose parents are unwilling or unable to pay the full charge.

In cases where a small proportion of the activity takes place during school hours, the charge cannot include the cost of alternative provision for those pupils who do not wish to participate.

Parental agreement is necessary for the provision of an optional extra which is to be charged for. Where a payment has been made by the parent this will be considered as consent for the pupil to partake.

c. Music tuition

There is an exception to the rule about not charging for activities in school hours. Charges may be made for teaching either an individual pupil, or pupils in groups of up to four, to play a musical instrument.

Charges cannot be made:

- If the teaching is an essential part of the national curriculum
- **For a pupil who is looked after by a local authority**

d. Residential visits

When any visit has been organised by the school where there may be a cost for board and lodging, parents will be informed of this before the visit takes place.

We will charge anything up to the full cost of board and lodging on residential visits, whether it is classified as taking place during school hours or not.

As they are optional activities, the full cost of these visits must be met by parents or other family representatives. The school reserves the right to cancel a visit if costs are not fully covered. Payments can be made in instalments if required, and dates when payments are due will be included in the visit details.

Refund of payments cannot be made except in exceptional circumstances and must be agreed by the headteacher. The charge will not exceed the actual cost.

Residential visits are offered to pupils in Key Stage 2. Though not part of the National Curriculum, they offer an opportunity to widen pupils' experiences.

Travel charges may apply when the residential activity takes place outside of school hours. The amount charged will be calculated to cover the unit cost per pupil. These charges may not apply to those pupils entitled to remissions, but no other pupils will be charged extra to cover those costs.

The school may charge for residential activities that fall outside of school hours.

e. Nursery Top-Up Charges

3 and 4 year old children in the Nursery are entitled to 15 hours of funded childcare and this entitlement must always be completely free at the point of delivery. Parents will be required to sign a parental agreement confirming which nursery setting they are utilising their 15 hours of funded childcare at (this can be split between different nursery settings if required). Working parents may also be eligible for the extended 30 hours of free childcare and, where parents have the 30-hour code, this entitlement must also be completely free at the point of delivery.

Additional hours / sessions over the 15 / 30 hours per week entitlement may be available, but availability is dependent on the number of children who are attending for the funded sessions and to whom priority will be given.

Where parents have requested additional top-up hours over the lunch period, the parental agreement will include the details of the additional chargeable sessions. The hourly Nursery top-up rate will be reviewed annually, and parents will be given one half term notice of any increase. The additional hours will be chargeable should the child be absent due to sickness or holiday, as the staffing ratios will be maintained throughout the term. **Parents are required to maintain a credit balance on their School comms account in order to retain their place. 1 month notice will be required for any changes to the top-up hours.**

f. Breakfast Club

The school offers a breakfast club from 7.30am. The breakfast club charges will be reviewed termly, and parents will be given one half term notice of any increase. Payment and booking are in advance and bookings for a full week will be discounted. Parents of children in Reception to Y6 will receive a further discount because school is part of the Early Adopter Breakfast Initiative.

g. Early Adopter Breakfast club

The school offers the Early Adopter breakfast club from 8.10.am until 8.40.am for all children from Reception to Year 6, this is part of the Government initiative and is free, booking is preferable but not essential.

g. After School Activity Clubs

The school offers a range of after school activity clubs which are free of charge. Additionally, there are some paid after school activity clubs which parents can sign up to if required. The charges for these sessions will be paid in advance.

h. Losses and Damages

Where school property has been lost or damaged, either wilfully or through neglect by a student or parent, the school may charge those responsible for some or all the cost of repair or replacement.

Where property belonging to a third party has been damaged by a pupil, and the school has been charged, the school may charge some or all the cost to those responsible.

i. Late Charges

The school reserves the right to charge for late collections where a child has been collected more than 15 minutes late from school or after school clubs. Charges will not be made for a one-off unforeseen event, but consideration will be given to applying charges where pupils are regularly collected late and staff costs are being incurred.

Each incident will be dealt with on its own merit and at the headteacher's discretion.

13. Voluntary Contributions

The school can ask for voluntary contributions from parents to fund activities during school hours which would not otherwise be possible. Some activities for which the school may ask parents for voluntary contributions include school trips, external visits and sports activities.

There is no obligation for parents to make any contribution, and no child will be excluded from an activity if their parents are unwilling or unable to pay. However, the school reserves the right to cancel any school trip / visit / event if insufficient contributions are received.

Where reasonable, the opportunity to pay in instalments will be offered to parents who wish to pay in this way if payment is complete before the visit/activity takes place.

14. Refunds

Due to financial commitments made by the school to suppliers for which parent contributions are relied upon, we cannot issue refunds in the event of a child being absent from school or for any other reason.

If a planned school trip or visit does not go ahead then refunds will be issued or payments reassigned to another school trip within the same academic year.

15. Financial Difficulties

If a pupil is in receipt of Free School Meals (at the time of the educational trip, or organisation of the educational trip), the school may offer a 10% reduction in the cost of the activity. The decision to subsidise an activity, visit or trip will be at the headteacher's discretion and will depend upon the cost per pupil.

The school will consider the remission of charges to parents or carers who receive the following support payments:

- Income Support
- Income based Job-seekers Allowance
- Child Tax Credit (where the person is not receiving Working Tax Credit as well)
- Support under part VI of the Immigration and Asylum Act 1999
- Guaranteed Element of State Pension Credit
- Income related employment and support allowance
- Universal Credit

Children of families who receive these payments are also entitled to free school meals.

In case of other financial difficulties parents should contact the Headteacher, who will use their discretion on an individual basis, if a parent states that further financial hardship would be a barrier to a child engaging in a special activity.

All subsidy information is confidential

16. Charging and Debt Collection

School meal debts of over £20 could result in meals being stopped and debt passed over to a debt collection agency for recovery.

17. Schedule of Charges 2025/2026

Item	Costs	Next Review
School Meals	£2.60 per meal (Y3 to Y6)	July 26
