WRAP AROUND CARE

Safeguarding at Skelton

How you can help

1. Make us aware of any safeguarding concerns you may have.
2. Use social media responsibly and monitor your child's online use.
3. Follow our attendance procedures and make us aware if your child will not be in school that day.
4. Do not use your mobile phone on site.
5. Ensure the online games they play are age appropriate and the parental controls are on.

If you have any concerns about our pupils, speak to:

The Skelton Curriculum

"Big Ideas". This is the unique way that we teach the foundation subjects within our afternoon learning.

We aim to provoke children's interest and curiosity with "a Big Idea", which leads to a series of questions for the children to explore. We then build activities that develop the children's skills across the foundation subjects that allow the children opportunity to answer the Big Idea question. Each half term we have a new whole school "Big Idea".

To keep up to date with the Big ideas please check out the school website. Each week the year group Team Leaders will share examples of the children's work on the school Facebook page so make sure that you are following.

The Skelton EYFS Curriculum

In Foundation Stage Two (Reception) we focus on the Prime and the Specific Areas of Learning.

As a school, we plan 'Big Ideas' where we aim to provoke children's interest and curiosity with "a Big Idea", which leads to a series of questions for the children to explore. We then build activities that develop the children's skills.

To keep up to date with the Big ideas, please check out the school website. Each week the year group Team Leaders will share examples of the children's work on the school Facebook page so make sure that you are following.

Reading

Our reading program is Read Write Inc (RWI). Children will be introduced to a set of “sounds”. Using this knowledge, the skill of segmenting and blending will be taught, enabling children to start their journey of reading.

Along with the 40 high frequency words taught alongside this program, children will be given the confidence to read simple sentences by the end of the year.

We have daily phonics lessons and children will be given a home reader, matching their phonetic ability to share with an adult at home.
