**Dear Families,**  
Welcome to this week's news.

## Year One Adventures

It has been a very busy week in Y1! A very mysterious spacecraft landed on the field at the start of the week. There has been much investigation and many rumours about where it came from and who was on it!

Many of the children have helped me interview for a new colleague in the Y1 team. We say a sad goodbye to Mrs Turner today; she leaves us to set up a new business.

Thank you Mrs Turner, good luck, you will be missed.

Please remember that  
dogs of all sizes are  
not allowed on site  
(not including guide dogs)

# Change 4 life

**Breakfast  
choose from:**

porridge  
wheat biscuits  
no added sugar' muesli  
shredded wholegrain

**Fab and fruity**

Top lower-sugar cereal or plain natural yoghurt with a handful of favourite fruit. Try sliced bananas, chopped strawberries or a handful of berries – it's super tasty and counts towards 5 A Day!

Swap tip!

Choose cereal that has all greens on the 'traffic light' label.

per 30g cereal:				
<b>16</b> SERVINGS	ENERGY 460KJ 110Kcal	FAT 0.7g LOW	SATURATES 0.1g LOW	SUGAR 5.1g HIGH
				SALT 0.2g MED
Typical values per 100g: Energy 1530KJ/360kcal				

## Lunch

Cut sugar with a swap!  
Instead of chocolate, cake bars, split yoghurt pots or pudding pots, pick::

- A slice of malt loaf
- A fruited teacake
- Sugar-free jelly
- Fresh fruit or tinned fruit in juice not syrup
- Lower-sugar fromage frais.

### Keep them fuller for longer

Base the lunchbox on foods like bread, rice, pasta and potatoes. Choose wholegrain where you can.

### Mix your slices

If your child doesn't like wholegrain, try making a sandwich from one slice of white bread and one slice of wholemeal/brown bread.

### DIY lunches

Wraps and pots of fillings can be more exciting for kids when they get to put them together. Dipping foods are also fun and make a change from sandwiches each day.

### Freeze your bread

Keep a small selection of bread in the freezer. Make lunches more interesting by using bagels, pittas and wraps, and different types of bread, such as granary, wholemeal and multi-grain.

### Less spread

Cut down on the spread and try to avoid using mayonnaise in sandwiches.

### Cut back on fat

Pick lower fat sandwiches such as lean meats (including chicken or turkey), fish ((such as tuna and salmon) reduced-fat cream cheese, and reduced-fat hard cheese.

### Add veg

Cherry tomatoes, or sticks of carrot, cucumber, celery and peppers all count towards their 5 A DAY.

### Every green

Add salad to sandwiches- it all counts towards your child's 5 A DAY.

### Cut down on crisps

Swap for homemade plain popcorn or plain rice cakes.

### Variety is the spice of lunchboxes

Be adventurous and get creative to mix up what goes in their lunchboxes.

### Get them involved

Get your kids involved in preparing and choosing what goes in their lunchbox. They are more likely to eat it if they helped to make it.

## Skelton Primary School Council Election 2019/20

Have YOU got what it takes to be a successful School Council representative?

Are you keen to make a difference within OUR school?

Would you like to be part of a TEAM who work incredibly hard together to listen to others and make positive changes?

Reliable?

Are you...

Responsible?

Reflective?

Respectful?

Resilient?

A good listener?

If yes and you are in Years 2-6, then please prepare a short speech to explain why you would be the perfect candidate for your year group. Elections will be held within year groups next week and followed by a vote to ensure candidates are chosen fairly.

Good luck!

## BREXIT

I am sure that you are a little weary of this topic but I wanted to reassure you that schools as well as households are being encouraged to consider contingency plans. Two of the three areas below could potentially impact school life.

1. **Data\*** (GDPR- what electronic data we have that is stored in EU)
2. **Food\*** (what food supply limitations will be in place after Oct 31<sup>st</sup>)
3. **Medicines** (what supplies might be compromised after October 31<sup>st</sup>)

We have received the following from our catering suppliers Mellors: "A majority of Mellors nominated suppliers are local operators with local (UK) sourcing and local growers. Buying locally is not foreseen to be impacted by import restrictions potentially caused by a hard Brexit. However, a hard Brexit may impact the supply and demand balance of local UK food suppliers as more of their customers (food companies) move to local purchasing. This may result in price impacts and availability of certain fresh produce. We have contacted and are working with our suppliers to ensure they have their own contingency plans and maintain our supply chain as a priority should this happen. Certain imported fresh products such as melon / grapes / kiwi / bananas / tomatoes etc. may have supply restrictions due to potential delays at customs and an increase in haulage fees. In this case, Mellors will swap these products for other items in our bespoke site based menu planning. Mellors kitchen based menu selector allows and encourages catering managers and Mellors chefs to menu plan with flexibility and will therefore accommodate any short term product restrictions."
