Hello everyone,

How are you all this week?

We are so pleased to see attendance back up to normal levels and everyone really digging in with some lovely work!

Please look out for an important message on Monday about remote learning. In the event of your child needing to self-isolate for 14 days or a bubble closing in school our children will continue learning from home. This will be very different from the 5 a day lockdown learning of the summer. Children will be learning online using TEAMS.

Look out for more information early next week.
Have a good weekend
Ms Walker

DEFIBRILLATOR

We hope to buy a defibrillator for our school and need to raise £1100. In these tricky times, does anyone have any fundraising ideas? Please speak to Mrs Armstrong in school.

Article 3
Adults should make sure that the child's best interests are their top priority.

Rights Respecting Schools

This week we have been looking at Article 3. Can you think of any adults involved in decisions that affect you? Things have changed at school. These decisions were taken in your best interest. Can you think about what changes have been made and why?
