Hello everyone,

How are you this week? We hope that you are settling into a school routine. The children are a delight, we are so proud of their calm approach, lovely manners and achievements already.

There is a lot of important information on our newsletter this week. Please make a cuppa and sit back for a good read!

### Stanley's Joke Corner

Why did the fly fly?

Because the spider spied her!

### ! ROAD SAFETY !

Please do not block our neighbours drives and access when coming to and from school. We have received a number of complaints from our neighbours.

Drive carefully and remember that the police will ticket cars parked in the layby.

### COVID 19 RISK ASSESSMENT

We have reviewed our risk assessment this week. We want to keep our children safe and support our children's learning ...and you! as much as possible.

Please note that from MONDAY;

- Children may bring lunch boxes (wipe-able ones)
- Children may bring school book bags FS2-Y3.
- Children may bring school back packs Y4-6.

### FLU IMMUNISATION

The NHS have let us know that they would like to immunise all of our children FS2 - Y6 against flu on October 13<sup>th</sup> in school. You have the chance to opt in / opt out. We will send more information shortly.

### Attendance

Our Target - 97%

Well done to Yellow 1 who achieved 100% this week.

Whole school attendance - 93.2%

Please wear a mask when you come onto the school site.

Please wear a mask when you queue with your child.

Thank you for helping to keep us safe.

## WHAT HAPPENS IF MY CHILD BECOMES UNWELL IN SCHOOL or SHOWS SYMPTOMS?

You will be notified immediately to come and collect your child.

Your child will be escorted to a safe space with a member of staff to await your arrival.

Information about Covid, please call 111 or go to [www.gov.uk/coronavirus](http://www.gov.uk/coronavirus).

## WHAT HAPPENS IF SOMEONE TESTS POSITIVE FOR COVID 19 AT S.P.S?

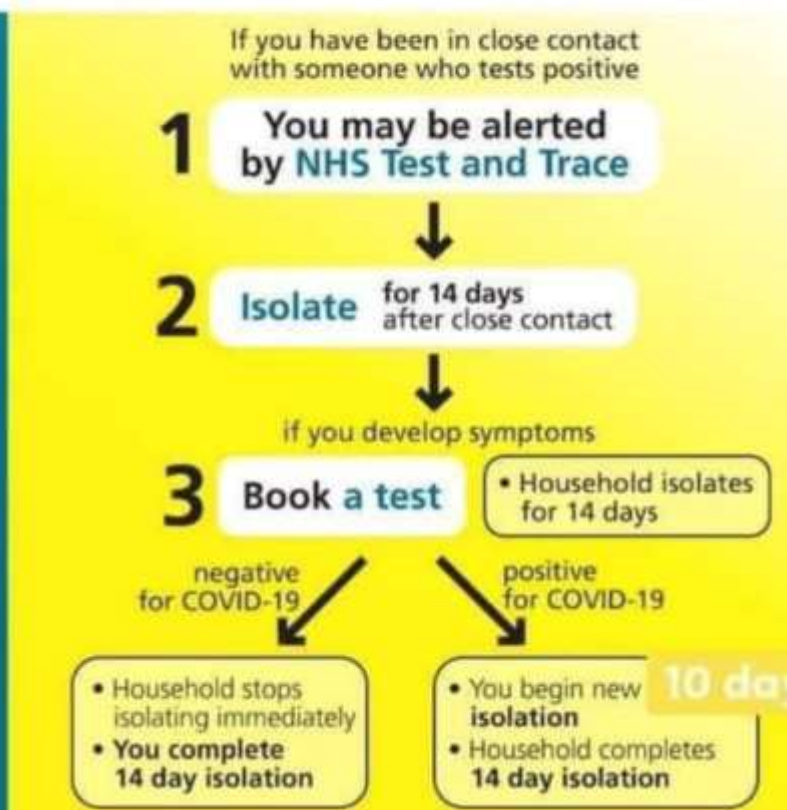

You will have noticed in the press that a number of local schools have reported a positive test result. In the event of this happening at Skelton, you will receive one of two letters.

1. If your child is not in the bubble of the person who has tested positive, they will continue to attend school.
2. If your child is in the bubble of the person who has tested positive, they will need to isolate for 14 days. Home schooling will resume. Siblings from different bubbles do not need to isolate. If they do not develop symptoms, they will return to school after a fortnight. If they do develop symptoms, they will need to have a test. If the result is negative, they can return to school right away. If the result is positive, they need to inform school and follow NHS guidelines remaining fully isolated.

 HM Government

 NHS Test and Trace

The symptoms of Covid are:

- A high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature);
- A new, continuous cough – this means coughing a lot for more than an hour, or three or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual);
- A loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal.
