## Missy's Joke Corner

What did one raindrop say to the other?

Two's company, three's a cloud

## Destination JUDO

have visited this school and provided some taster sessions for our children. Judo is a modern martial and Olympic sport. It was great fun!

## Celebrating Reading Success!

"Has a passion for reading!" "Knows his/her favourite book or author." "Can they talk about the characters, setting and plot." "Wants to read five or more times a week."

We aim to foster a culture of reading for enjoyment and have a wealth of lovely books. We can already see the routines impacting on children's love of reading. We would like to acknowledge our STAR READERS across each year group and will be looking for those qualities listed above. During assembly on a Monday, we will be awarding one child per year group with a book to acknowledge his/her star qualities as a reader. *Please encourage your child to be a star reader!*

**RIGHTS RESPECTING SCHOOL** Our curriculum is designed to support and improve well-being and develop every child's talents and abilities to their full potential. As part of this plan we plan to renew our Rights Respecting School award, an award given to schools on behalf of Unicef UK. In 1989, governments across the world agreed that all children have the same rights by adopting the UN Convention on the Rights of the Child. These rights are based on what a child needs to survive, grow and participate and fulfil their potential. Our children will focus on a different right each week.

### Right of the week Article 24

*You have the right to the best health care possible, safe water to drink, nutritious food, a clean and safe environment and information to help you stay well.*

## Skelton Nursery

**Our Nursery is filling fast!**

If you know anyone with a child who is rising three, please ask them to get in touch and secure a place!

This week's House Champions
