Dear Families,
 Welcome to this week's news.

Mid Term reports have been published on our SIMS Parent App. Please check them out & join us at Open Evening on Tuesday & Wednesday.

At Skelton Primary School we are passionate about reducing food waste and hunger.

Friday 2.45 onwards.
Back of the main hall – go through the doors from the playground.
5 food items for £2.

We will be receiving food deliveries from FareShare UK each week.
 FareShare UK take in date and good food from suppliers such as Greggs, Co-Op, Tesco and Asda which would otherwise go to waste.
 They redistribute food to communities in the North East. Last year they supplied enough food to make 36.7 million meals!

#feedpeoplefirst

We will receive FairShare deliveries weekly and will be passing them onto you. This is perfectly good food, in date that would otherwise have gone into Landfill.

Do you bit to save the environment and grab a bargain too!

We can increase our order if we sell out quickly so please don't be downhearted if you missed out this week.

WELL DONE YEAR 1 / BLUE

Your assemblies this week on climate change, telling the story of Great and the Giants were inspiring! Your singing was beautiful and you told the story with such enthusiasm. We all really enjoyed it and came away with the clear message that we all need to be doing our part to save our wonderful world.

HOUSE TEAM WATER BOTTLE LIDS

Our school water bottles all have blue lids. We thought it would be fun to colour code them to house team colours. Thomas & Imogen are busy sharing out the yellow, red and green new lids!

SOCIAL MEDIA

Do you allow your child to use social media?
 What forums are they using?
 What are they doing?
 Are they worried about it but aren't share incase their device is taken from them?

This week's House Champions

Swimming Success!

A huge well done to our Year 5 and 6 children who swam fabulously at a swimming gala yesterday. We had lots of 1st and 2nd places and many qualified to the next round.

Right of the week Article 24

I have the right to a name.

The Big Debate

This week we have been debating:

'Is it our job to look after the environment? If not, whose job is it?'

Most of us agreed that it is our responsibility.

What do you think?

East Cleveland Children's Council

Dana, Delilah and Nathan attended a meeting at St Peter's School this week. The children identified a number of rights, which linked to e safety, and then they discussed the positives of using the social media and the challenges. Children need to be able to use social media so they need to know how to stay safe. Chris also shared the story 'There's a Rang Tan in my bedroom' by James Sellick and Fran Preston-Gannon in collaboration with Greenpeace with the group. It is a story about deforestation and the destruction of the habitat of Orangutans because of the planting of palm trees to produce palm oil.
