Hello everyone,
 What a fun World Book Day we have had!
 Masked readers have kept us all guessing and the children have thoroughly enjoyed following the clues.
 We can't wait to see you altogether again on Monday!

We said thank you, congratulations and good luck to Ms Dunn (Y2) today as she left us to take up a teaching position in Whitecliffe. We will miss her!

MOTHER'S DAY March 14th

Our annual competition will go ahead this year and we welcome entries from everyone this year electronically! Please share your artwork, it could be a painting, a drawing, a sculpture. Remember that it could be anyone in your life who especially looks after you.

Please email a copy of your artwork to the office with your name on and the name of the person and one completed sentence

"I love my...
 because....."

Skelton COOP FUNERALCARE have kindly offered to sponsor our prizes this year.

There will be a prize for every entry and a grand prize for two overall winners.

THANK YOU to LADIES OF STEEL

funded by our local councillors who have donated some tablets to school for our children this week, with the promise of more to come too!

NEW PARENT GOVERNORS

We have two new parent governors!

Mrs Donna Leighton & Mrs Laura Allan

Watch out for more information about our governing body after our next meeting later this month.

Turn ON THE SUBTITLES!

Research tells us that you can greatly boost your children's reading skills by simply turning on subtitles.

LOCAL COVID TESTING FOR 18years +

The tests are available for anyone aged 18 years or over - irrespective of where they live - and who are not displaying Coronavirus symptoms. Anyone not displaying Coronavirus symptoms can book a test by visiting the Council's website at www.redcar-cleveland.gov.uk or calling the contact centre on 01642 774774. There are also a number of walk-in appointments available so the public can visit the site for a test during opening hours. The testing will be supported by trained staff and the lateral flow tests will allow residents to test themselves before the results are analysed on-site. The results are usually available within 30 minutes.
